

What DSPs have to say about Advocate Access NW

"Everyone has been so welcoming and friendly. Even other DSPs!"

"Feel very comfortable and feel very welcome."

"Betty and Kelley are incredibly easy to talk to and feel comfortable around!"

"Advocate Access NW are thorough with communication."

"The amount of communication is amazing! I love how easily I can talk to my supervisors!"

"This company makes me very happy because everyone is so positive."

"Everything in one App is very convenient. Love it!"

"Everything was presented well and very organized."

"I am new to Advocate Access NW however I do see their vision and their culture is very evident."

"You provided an excellent introduction to Advocate Access NW at the community event you hosted."

"The prompt response to my queries is very helpful and makes me feel more secure in what I am doing."

"So far my experience has been excellent and I feel I am part of something bigger than myself."

"Although I'm just beginning my journey with the agency, I'm truly excited to be part of something where the standards of excellence align so closely with my own expectations and values. This really reflects what I value in a well-run provider agency. Having worked with several, this experience already stands out in a very positive way."

"The Advocate Access NW's website was very helpful when I was wanting to learn more about the company before joining."

"I love how I feel connected and not like I'm just another worker! Betty & Kelley have gone above and beyond to make me feel like I'm making a positive impact!"
