### Courier Service

*TRUST KMET TO MANAGE THE CRITICAL LINK  
BETWEEN YOUR SUPPLY CHAIN AND PATIENT  
CARE.*

We provide flexible cost effective solutions for:

- Urgent/Stat deliveries
- Overflow capacity
- Reliable backup service
- HIPAA Compliant coverage
- TWIC Services
- Long Haul Service

**KMET** is a reliable, customer-focused local medical-pharmaceutical & small package courier. We provide same-day pick up & delivery & STAT services; scheduled lab pickups or secure pharmaceutical transport, KMET is ready and available to deliver exceptional service. We can promptly pick up and deliver small lab specimens and essential medical supplies. We are committed to providing timely, reliable, cost-effective solutions.

## THE **KMET** EXPERIENCE

### Door to Door Service:

Eliminate the barrier between your patient and their prescription. **KMET** provides secure, HIPAA Compliant delivery of medications and durable medical equipment (DME) directly to patients. We ensure timely and safe delivery that can improve medication adherence, enhance the patient's experience and build practice loyalty. Let **KMET** handle the logistics so you can focus on patient care

### Dedicated Route Services:

We provide prompt pick up and delivery for dedicated lab services in the tri-state area. All operations are handled by HIPAA Compliant drivers who are certified in handling sensitive patient information and specimens

### STAT & Same Day Delivery Service:

When time is critical, count on **KMET** for urgent and same day pick up and delivery of medical supplies, pharmaceuticals and laboratory specimens.

## COLD CHAIN SERVICE:

We provide secure climate controlled courier service for temperature sensitive medical specimens including blood & laboratory specimens and trial materials. Our service is equipped to meet precise temperature maintenance, verifiable logging and timely delivery that clinics, labs and pharmacies depend on.

### Who We Serve:

- Pharmacies
- Veterinary Practices
- Dental Labs
- Law Firms
- Local Stores
- Clinics & Providers
