CAPABILITIES STATEMENT

KMET's Mission is to be a trusted and reliable courier partner for the Healthcare Logistics sector. We strive to deliver services that include personal care, compliance, white glove service, and complete peace of mind for our clients. We work to ensure that what matters most—from time-sensitive medical specimens to essential business supplies—arrives safely, securely, and on time.

Healthcare Logistics & Courier Services

Owner-Operator Credentials & Differentiator

- Hands-On Operator: Active CDL holder with direct Over-The-Road (48-State) and Hazmat experience.
- Strategic Planner: Proven background in Import/Export Operations and Freight Brokerage.
- Tactical Dispatcher: Expert in real-time dispatch management, routing, and exception handling.
- Healthcare Compliant: Certified in HIPAA & Bloodborne Pathogens. Holds a TWIC card.

My experience as an OTR driver, as a freight broker/dispatcher and as an import/export agent has provided me with a broad knowledge that translates to KMET's ability to provide exceptional customer/client care and compliance focused service to the **Healthcare Logistics** sector.

SERVICE MODEL: THE STRATEGIC COURIER NETWORK

KMET applies logistics intelligence to manage a network of vetted independent couriers, providing strategic oversight tailored to customer needs:

- Macro-to-Micro Understanding: 48-state OTR and import/export experience ensures professional planning and the application of regulatory knowledge.
- Brokerage & Dispatch Acumen: Freight brokerage and dispatch expertise delivers superior capacity management, real-time tracking, and dynamic problem-solving.
- The Certified Compliance Bridge: Logistical knowledge combined with healthcare compliance, creates a reliable link between flexible courier capacity and rigid lab/clinic and health care standards.

KMET can provide the strategy of a large logistics firm, with owner operator focus and flexibility for your healthcare delivery needs

PERFORMANCE & CAPABILITIES

- Active Regional Clinical Logistics: Providing secure specimen transport for a major national reference laboratory network across the Gulf Coast..
- Compliance-First Management: Rigorous vetting and oversight for healthcare and Hazmat protocols.
- Technology: HIPAA Compliant, Real-Time Tracking & Client Portal providing Electronic Proof of Delivery (ePOD) and detail to strict adherence to **Protected Health Information, PHI.**

STRATEGIC POSITIONING FOR PARTNERS

KMET is an intelligent choice for healthcare partners, with a foundation built for scalable growth. We are a reliable, compliant, safe and strategic, outsourced logistics provider.
