

Little Green Thumb

May 17 - June 21, 2021

Mondays at 3:00-5:00pm

6 week gardening program for 2nd-6th graders. Come dig in one of our garden beds and take home the fruits of your labor at the end of six weeks. Topics and activities to include:

- Importance of gardens
- Parts of plant and what parts we eat
- Garden tools
- Building a small greenhouse
- How to harvest water: irrigation / rain barrels
- Seed dissection

Cost:

\$20/week

\$100 for entire session

Optional Expense:

\$10 for museum supplied gardening gloves or supply your own. Gloves must be used while in the garden.
