

# GED ENROLLMENT SUCCESS CHECKLIST

## Your Step-by-Step Guide to Getting Started

### STEP 1: THE ESSENTIALS

- **2 forms of Valid ID:** Have a government-issued ID ready (Driver's License, State ID, or Passport, Birth Certificate, Social Security Card).
- **GED.com Account:** Create your free profile at [www.ged.com](http://www.ged.com). This is where you will eventually schedule exams and see your scores. Select Mt Rogers Adult Education as your test prep center.

### STEP 2: ORIENTATION & PLACEMENT

- Find out what class works best for you. For full schedules visit [MRRRAEP.com](http://MRRRAEP.com)
- **Set Your Schedule:** Decide which class times (Morning, Afternoon, or Evening) work best for your life.
- **Placement Assessment:** Complete your initial math and reading goals. (Remember: This is not a graded exam; it is a tool to help us find out where you're at academically. )
- **Supplemental Online Instruction:** Access remote learning platforms to complete additional coursework or maintain progress during absences

### STEP 3: STUDY TOOLS

- **Notebook & Folders:** Dedicate one notebook specifically to your GED studies to keep your notes in one place.
- **Scientific Calculator:** (Provided for class use.)
- **Learning Space:** If studying from home, identify a quiet spot with reliable Wi-Fi.

### STEP 4: MINDSET & SUPPORT

- **Define Your "Why":** Write down your primary goal for getting your GED:  
-----
- **Support System:** Tell a friend or family member about your start date so they can encourage you.

**"The secret of getting ahead is getting started."**
