IET Program Spotlight

We're proud to announce that our IET program participants earned a whopping total of 25 Northstar certificates this school year, plus 25 National Career Readiness Credentials! We've had students complete their training in various industries, such as Healthcare, Precision Machining, HVAC, and Diesel Mechanics. We're very proud of their hard work and wish them all the best in their future endeavors!

Happy Summer!

It's hard to believe this school year is already coming to an end! With that being said, please be sure to submit your timesheets by the due date. The deadlines for end of year reporting are quickly approaching.

We have started the summer work schedule in the regional office. The office will be open to the public Monday through Thursday from 7:30 a.m. until 4:30 p.m during the months of June and July 2023.

Feel free to contact me if you have any questions.

Hope you all have a wonderful summer!

June
