Spring: a lovely reminder of  
how beautiful change  
can truly be

[OurMindfulLife.com](http://OurMindfulLife.com)

---

The Spring weather has been such a refreshing change. I hope you have had the opportunity to get out and enjoy it. Like with the seasons, change is inevitable. Our program has certainly been experiencing some changes lately! However, with changes also comes growth and our program is growing thanks to all of you!

**Important Announcements and Reminders:**

\* In the place of the regional Spring In-service meeting, I will be scheduling in-services by locality. Keep an eye out for details in your inbox!

\* Please send ASPDs and attendance through dropbox to Brenda Otey and Shannon Mutter.

\* Keep an eye on student hours. When students are ready to post test, spend some time tutoring before the test. TABE Academy is a great way to prepare students before the post test.

Keep up the good work! Talk to ya soon!
