About Your Host

Todd Zavorskas is a 2022 Greater CT Honorary LLS Man of the Year Candidate. This cause is very dear to him, because his grandmother, Anne, passed away several years ago from Hodgkin's disease--a form of leukemia. In 27 years as a volunteer and fundraiser, Todd has raised \$243,500+ for LLS.

About Barnaby Castle

Historic Barnaby Castle, built in 1875, is the jewel of the West Side. Thanks to the generosity of The Prone Family Foundation, Barnaby Castle is hosting this marvelous event.

As you know, everyone wins when cancer loses. Thanks to your support, Team Zombie Leader's efforts will help fund therapies and treatments that are saving lives. Over the years, support from people like you has been responsible for the blood cancer advancements that have doubled, tripled, and in some cases quadrupled the survival rate for some blood cancers. Many LLS supported therapies not only help blood cancer patients, but they are also now used to treat patients with rare forms of stomach and skin cancers and are in clinical trials for patients with lung, brain, breast, pancreatic and prostate cancers. And LLS funded drugs like targeted therapies and immunotherapies are now saving thousands of lives every day. We truly are getting close to our goal of a world without blood cancers!
