Dear Parent/Legal Guardian:

The novel coronavirus, COVID-19, was declared a worldwide pandemic by the World Health Organization. As a result, federal, state, and local governments and agencies recommended social distancing and have, in many locations, prohibited the congregation of groups of people. **The Ridge Preschool** put in place preventative measures to reduce the spread of COVID-19 and other communicable diseases, however, we cannot guarantee that you or family members will not become infected with COVID-19 or other potential communicable diseases.

By participating in programs, services, and activities of our Organization, you agree to the following:

*On behalf of yourself and your family, you hereby release, covenant not to sue, discharge, and hold harmless **The Ridge Preschool**, its employees, agents, and representatives, of and from all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating to your participation in our programs, services or activities. You understand and agree that this release includes any claims based on the actions, omissions, or negligence of this organization, its employees, agents, and representatives, whether a COVID-19 infection or other potential communicable disease occurs before, during, or after participation in any hosted or programmed event by this organization.*

Although not required at this time, we strongly encourage all family members who are able to receive the vaccine, on the recommendation of CDC and other health and governmental organizations, to be vaccinated to help prevent COVID-19 infection and spread. Your decision should be made with advice from your family and your healthcare providers.
