

The Newcomers and Neighbors of Somerset Hills (NNSH) invite you to join us for a new season of fun, camaraderie and activities. If you are new to the area or a longtime resident, please consider joining our club to reconnect with neighbors or make new friends.

We are a non-profit, social organization offering a variety of interesting activities and social events. The club has been in existence since 1965 and is open to ALL area residents. Our interest groups meet regularly, and we hold several club socials annually. The club's focus is to ensure that the social aspects of our group satisfy the expectations of our members. We always welcome input from our members for social gatherings and activities.

Prospective members are encouraged to accompany a club member to any event in which they may have an interest. You can also learn more about specific activities and social events by clicking on the "Interest Groups" tab.

If you have questions, please fill out the contact form or email me at nshpresident@gmail.com.

While we are cautious and heed the warnings of our health organizations regarding COVID, etc., our club has been able to safely get back to the business of wine tastings, day trips, in-person Mahjong, Bridge and Canasta, in-person book club gatherings, dining around at local eateries, pickleball, and more.

I hope you will consider joining us.

Best regards,

Holly Leighty

President
