RE: Preschool Registration for 2026-2027

As you are making decisions about your child's education, we would be honored if you would consider HIS Kids Christian School!

To help you with your decision, here is some important information that you need to know:

- We have classes from 2-day preschool through 6th grade.
- **NEW OFFERING:** 5-day afternoon PreK Plus Class for 4 and 5 year olds.
- There are discounts for families with multiple children enrolled; one registration fee per family
- We offer a Full Day Kindergarten Program with free busing available from 7 school districts (Butler, South Butler, Freeport, Mars, Slippery Rock, Karns City, and Seneca Valley)
- Each day will include a Bible lesson which will be reinforced throughout the day as a part of our Bible-rich curriculum.
- Preschool students will attend a weekly music class, as well as library for 3- & 5-day.
- The YMCA Child Care provides a good option for before- and after-school care and is located in the same building as HIS Kids Christian School.

Enclosed are your registration materials. Please return your application along with the **\$70.00 registration fee as soon as possible as classes are filling up fast!**

REFER A FAMILY - You will be awarded a \$50 family tuition credit for each new preschool family and/or \$100 family tuition credit for each new elementary family referred to HIS Kids by you once the new family has successfully completed the enrollment process and their registration fee has been obtained. If the new family has a preschooler and elementary student, you will receive the \$100 family tuition credit.

Please feel free to contact Brittany Morse (Administrative Assistant) at 724-352-8177 or office@hiskidscs.org to discuss any of your questions, comments, or concerns. You can also follow us on our website at www.hiskidscs.com and/or Facebook. Like Us!

*During the summer, a staff member will be at the school at least once a week. Voicemails and emails will be checked at that time. We thank you for your patience and understanding.
