Dear Parents and Guardians,

At HIS Kids, we pride ourselves on fostering an environment where our students don't just learn—they grow into compassionate members of their community. Throughout the year, our students participate in various service projects, learning firsthand the impact of lending a hand.

This year, we are excited to invite you to join them in this mission.

### **Modeling the Value of Service**

To further strengthen our school community and support the programs that make our students' experiences unique, the School Board is requesting that each family commit to **four hours of volunteer service** during the upcoming school year.

We believe that when parents and guardians serve alongside the school, it sends a powerful message to our children. It moves "service" from a classroom lesson to a lived family value.

### **Flexible Opportunities to Get Involved**

We know your time is valuable and schedules are tight. To make this as easy as possible, we have identified a wide range of opportunities that fit different interests and availability, but this list is not exhaustive and there be other options available throughout the year:

- **Community Outreach:** Help the School Board represent our school at local community events.
- **Seasonal Celebrations:** Support the Boosters during annual traditions like the **Thanksgiving Feast** or **Fun Day**.
- **Behind-the-Scenes Support:** Assist with sorting fundraising orders or preparing materials for school-wide initiatives.

***A Note on Safety:** To ensure the continued safety and security of our students, please note that certain volunteer roles, particularly those involving direct interaction with students, may require up-to-date background clearances.*

### **Why Your Contribution Matters**

Your four hours do more than just fill a shift; they ensure our events run smoothly, our fundraising goals are met, and our students feel the support of a connected school community.

Thank you for your continued partnership and for helping us lead by example.

Warmly,

HIS Kids School Board

In everything I did, I showed you that by this kind of hard work we must help the weak, remembering the words the Lord Jesus himself said: 'It is more blessed to give than to receive.' - Acts 20:35

*"Jesus grew in wisdom and stature, and in favor with God and men." Luke 2:52*
