EDUCATIONAL TOUR OR TRIP FORM

PARENTAL REQUEST FOR STUDENT TO BE EXCUSED FROM SCHOOL ATTENDANCE

An educational tour or trip should be just that – an experience through which a child learns. Therefore, upon returning from their trip, students will be expected to share with their classmates what they have learned from their experience. Expectations will be grade-appropriate and may include talking about where they went and what they learned about the destination, creating a poster with pictures to help share their experience, or preparing a PowerPoint presentation with pictures and information about their trip. Sharing a special souvenir from the trip is also appropriate.

Students must present their educational trip project to the class within three (3) school days of returning to school.

Additionally, **all classwork and homework missed during the student's absence must be completed and turned in on the day they return to school.**
