Today, the State of our American Union is turbulent, yet stronger than ever. Whether you drink Coca-Cola or Pepsi, Mountain Dew or “they call me Mellow Yellow (Quite right),” we are all American under the same sun and moon. Donald John Trump is the first Non-Christian American President. I thank him for waking us from our slumber after witnessing the atrocious depths of the Republican Reprobate Maggots. Both Democrats and Republicans are responsible for enabling the Orange Reprobate Maggot Communist Neo Nazi leader Tiberius Bone Spurs. He is trying to be Nero; however, we will not permit him to go any lower.

On the Spring Equinox March Twentieth, let us civically and peacefully march on the District of Colombia. I will meet you at the Washington Monument. Our unifying protest flag is the Secular Black & Yellow Whale. America has a long tradition of a Two-Senator Two-Party system. Tiberius Bone Spurs wants to eliminate all parties and replace them with his Nero Dictatorship of incompetence, which would be the ultimate victory for the “Axis of Resistance.” Long live Ukraine! The European family will defeat little Putin. The lights are going out in McMafia Moscow. The vodka is running dry. Water is not potable. The food is extra EXTRA spicy. In the Pacific, Fisherman Xi Ping's boats outside of China's 12 Nautical Mile Territorial Sea might become monuments on the sea floor. Gaoliang bottles are full of salt water. Potable water ran out. Food is super spicy and super salty. War elephants are on parade in Europe and on the seven seas. America's alliances will be restored to stronger than ever with our new three cylinder Constitutional Order.

The Black & Yellow Whale Secular Political Party principles are:

- Impeach the Donald John Trump Reprobate Maggot Communist Neo Nazi Administration;
- Deport or Grey Bar Motel the Ball-of-Worms-Brain Elon Musk;
- Restore U.S. Government Employees and Agencies;

March twentieth let us meet at the Washington Monument. We surrounded the treasonous Reprobate Maggots. We will surround their homes. We will surround their vehicles. We will surround their offices until the resign from Congress. We will not be violent. We will be a giant clog. GofundMe Black and Yellow Whale Party. Long live our Peaceful Democratic Secular Republic.
