

## Carry On is Available!

This classic example of a Jack Hargrave designed Hatteras motor yacht is in very good condition for her pampered service since 1996. Her four stateroom four head layout, full beam salon, enclosed fly bridge with hardtop, aft and forward exterior decks make her open and roomy.

Offered at \$695,000

Powered by 12 V 92 electronic Detroit Diesels coupled to ZF gears. She is economical at displacement speeds yet capable of planing speeds of 20 knots. Bow and stern thrusters and NAIAD active fin stabilizers make operating her smooth and pleasurable. Twin Onan 21.5 KW generators provide ample power while away from shore anchored at your favorite cove with an abundance of water supplied by your Cruise/RO 60 GPH watermaker!

PORT main hours 2748

STBD main hrs 2813

FWD GEN hours 1912.5

AFT GEN hours 2411.5

All have just undergone complete services. Oil, with synthetic blend in the mains, filters, fuel filters, racors, impellers, and zinc's. Both generators also had heat exchangers rebuilt and new belts installed.

Carry On is currently moored in one of Bay St Louis Marina's premier slips. This slip has been customized and is assumable.

Delivery is available.

Carry On is also available for Charter. Available for day trips to the barrier islands, sunset cruises and extended cruises to Pensacola to watch the Blue Angels. \$2000 per day, includes the captain. On extended cruises there will be additional charges for fuel and any other accrued expenses. Please call Captain Jon for more information.

*Carry On is offered for sale by her current owners. All information is provided by current Captain who has been onboard since purchase. For more information, please contact Captain Jon McGuire at 707-479-0068 or by email at [phazetoo@vom.com](mailto:phazetoo@vom.com).*
