From the President

PLEASE EXUSE OUR APPEANCE.....Michele Komar, Editor & Chief of The Society Pages experienced a major meltdown on her computer this last week...so your President is attempting to replicate The Society Pages. To add to the problem, Michele had scheduled some vacation time...so guidance was limited.

I am now keenly aware of the complexity of producing this publication on a monthly basis. With that said, I hope all of you will send Michele a note thanking her for a TREMENDOUS job in managing this task each month. Michele....my appreciation has no words to describe its magnitude.

So....what's going on?

Well...it feels like someone let the air out of the tires... 'Island Time' is back. The 'full-timers' are getting ready for the winds of November and upcoming winter storms. The 'summer-crew' has departed and the 'snow-birds' are packing and drifting south....the Island is going into 'quiet mode'.

Your Historical Society has not checked-out. We are hard at work and organizing for 2013. Your board is exploring some ideas for new and exciting events that are intended to revive a bit of the history of Harsens Island and the Flats. We will let you know of our progress as we move forward.

If you missed the last Lecture presentation by Joel Stone of the Detroit Historical Society: "Committed to the Deep", Exploring Underwater Treasures of the Great Lakes....You can make-up your loss by purchasing a DVD of the Lecture along with the other presentations of the 2012 Lecture Series. DVD's are expected to be available by mid-November. Place your orders now to be shipped before the holidays. Call Nancy @ 810-748-1825 --- Or go to the website for a: **One Time Special Offer.**

If the membership truly appreciates the Lecture Series, a short note of to Denne Osgood would be in order for his great work in organizing the 2011 and 2012 programs. I know he is busy planning 2013; and we're excited about what he is lining up. (send note to Denne Osgood at: hidenn1178@gmail.com, or PO Box 44, HI, MI, 48028)

The Society Pages Newsletter will be 'shortened' for the winter months. Publication of The Society Pages is, as noted above, a significant task. Your Board of Directors would greatly appreciate if members of The Society would take a minute and send our Editor: Michele Komar, a 'BIG Thank You Note' for her dedication and hard work each month and for publishing a high quality newsletter. (Please direct your appreciation to Michele at: michelekomar@gmail.com, or PO Box 44, HI, MI, 48028)

In other news...

DO NOT FORGET.... Nancy Boulton is organizing a '**CHRISTMAS COOKIE WALK**' through the Museum...Purchase a Tin and fill it with a variety of cookies for the holidays...too busy to bake holiday cookies....**COME TO THE COOKIE WALK....December 8, 10:00 AM to 3:00 PM.** If you are interested in baking holiday cookies to donate to the program...please contact Nancy Boulton at: 810-748-3802.

*thank you
