Subject: New 4-way stop at Pierce and Center Road

All

We are planning to make the intersection of Center and Pierce a 4-way stop as of Tuesday, April 9th.

We will be placing additional message boards and temporary supplemental signs as part of the change.

It will likely take a week or two for the daily drivers on Center to become accustomed to the new stop.

We will have a Facebook post that you will be able to share with your communities in the near future.

If you have any questions, please call (989)752-6140.

Thanks
