

HELP US BOOST RECYCLING IN OUR TOWNSHIP!

Why Recycle? Because it matters.

Did you know...Michigan lags behind in recycling

We recycle only 19% of household waste - far below the national average of 32%.

What's Being Wasted?

Michiganders throw out \$368 million in recyclables each year.

A typical household could recycle half of its trash - let's keep that value out of the landfill!

Recycling Builds Jobs

Every 10,000 tons of recycling supports 36 jobs - six times more than landfilling!

Michigan Manufacturers Need Recyclables

Recycled materials become car parts, building supplies, and packaging - all made right here in Michigan.

Simple Tips to Recycle Smarter

- Clean out containers before tossing
- Flatten cardboard boxes
- Don't bag recyclables - place them loose in the bin
- Drop off plastic bags at local stores (they don't go in your curbside bin!)

Let's Work Together

Recycling is easy, saves money, protects our environment, and grows local jobs.

RECYCLE THANK YOU FOR RECYCLING THESE:

Paper

Cardboard

Metal

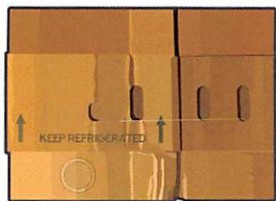

Plastic

Glass

Paper and Cartons
(all colors and types)

Cardboard
(empty and dry)

Aluminum Cans
(empty and dry)

**Plastic Bottles,
Jars and Jugs**
(empty and dry)

**Glass Bottles
and Jars**
(empty and dry)

NO!

No Plastic Bags

No Tangles
(hoses, wires, chains
or electronics)

No Food or Liquid
(empty all containers)

**No Hazardous
Waste**

**No Medical
Waste**

No Foam
