

## Overview of Waste Collection Service

### Set Out Guidelines

Your pick-ups will generally fall around the same time each week. However, due to traffic, road/weather conditions and volumes we may sometimes run at a different time. To ensure pick up, please have your rubbish at your pick up location by 7:00 a.m. or the night before your collection day. See enclosed calendar for day of collection. If your collection day falls on or after one of the six major holidays of New Years, Memorial Day, July 4<sup>th</sup>, Labor Day, Thanks giving or Christmas your PIU will be delayed by one day.

Please bag all rubbish and place at the curb. You may also use 32-gallon or smaller cans weighing less than 50 pounds each.

Help keep your community clean by bagging all loose rubbish. Loose items can turn into blowing litter in your neighborhood.

### What About Large Items?

FREON FREE large items such as furniture, appliances, mattresses, bundled carpet, etc. will be collected on the same day as your rubbish. Simply place out with your rubbish by 7:00 a.m. or the night before your collection day. Limit Of one item per week please!

Cut carpet in 4-foot lengths, roll and tie or tape into easy to handle bundles. Each bundle must weigh less than 50 pounds.

SORRY, ITEMS PACKAGED  
INCORRECTLY CANNOT BE  
COLLECTED DUE TO HEALTH  
SAFETY REASONS

### Items With Freon

Refrigeration and air conditioning units contain a gas called Freon. By law, we cannot pick-up items containing Freon with the regular rubbish collection. Please contact WM customer service at 800-796-9696 to arrange for a special pick-up of these items.

### Items That we CANNOT Take

Tires/car batteries

- Any liquid wastes Loose needles/sharps (contain in rigid plastic container with lid, such as laundry detergent bottle) Car, Boat and Truck Parts/Engines Hazardous Wastes
- Construction/Roofing Debris Yard Waste mixed with Trash Wood/Dry Wall
- Concrete/Bricks Fencing/Railroad Ties Tree Stumps/Sod Wet Paint Cans

Let paint dry by stirring in cat litter and place at curb with lid off.

If you have any questions call  
800-796-9696

## **TRASH SERVICES-**

Waste Management will pick up "normal household waste items" on a weekly basis each Thursday.

**Refuse** Serviced weekly on scheduled day. Can be placed at the curb in bags or garbage containers **no larger than 32 gallons, no heavier than 60 lbs.** Unlimited bagged trash. **96-gallon** containers are available through Waste Management as of 2019.

**Recycle** Serviced weekly. Bins can be picked up at the Township office for \$10.00 each.

**Yard Waste** Serviced weekly on scheduled days between April and November. Must be in Kraft paper yard compost sacks or in 30-gallon containers or less marked "**Yard Waste.**"

**Brush** Not to exceed two inches in diameter, 4' in length, must be 50 lbs. or less and each bundle diameter not more than 24 inches.

**Bulk** One large item per week.  
All bulky items include, but not limited to, the following:  
**(Freon must be removed and appliance certified before pick up.)**

Stoves	Air Conditioners
Refrigerators	Bed Frames
Hot Water Heaters/Tanks	Cast Iron Tubs
Garbage Disposals	Water Softeners
Dishwashers	Freezers
Humidifiers	Dryer
Washer	Treadmills

**Automotive Tires** 2 per week and they must be cut in half or in pieces.

**Non-Collectable** Products such as insecticides, oil, gas, propane tanks, concrete, gravel, dirt, sod, rock, stones, stumps, and car parts, car batteries, riding mowers, cement (even if attached to something), bricks, roofing shingles, paint cans with paint still in it, and similar items are also unacceptable.

**Florescent Bulbs** Florescent bulbs can be recycled by logging onto Waste Management's website at [www.wm.com](http://www.wm.com) . Click on **Recycle Fluorescent Bulbs & Batteries** and continue their instructions for recycling. You can also call 1-800-664-1434 for their "Lamp Tracker Program" which will get you the same results.

# HOUSEHOLD HAZARDOUS WASTE DISPOSAL GUIDELINES

## *Waste Unacceptable for Incineration*
