Present: Campbell, Britton, Fisher, Ortner and Begick

Excused Absent: None

The former Frankenlust Township Electrical Inspector has done the Plan Review for the Delta College Observatory Project. He submitted an invoice on behalf of the Township, to Delta College in the amount of \$1200.00. The invoice has been paid by Delta College. The consideration before the Board is how much of the \$1200.00 should be paid to the Electrical Inspector. The Electrical Plan Review had only four pages of electrical specifications to be reviewed. The Electrical Inspector's contract stipulates payment of \$25.00 per page reviewed, plus a flat fee of \$50.00. The total invoice should have been \$150.00. Motion by Begick/Britton to pay the Electrical Inspector \$ 300.00 indicating the \$150.00 contractual and \$150.00 for his service on this project, with \$900.00 to be reimbursed to Delta College.
