- 4) **Old Business:**
  - a. **Master Plan Update:** Members discussed how best to obtain input from the community. The preferred method would be twofold: first hold a community input meeting, followed by a survey mailed to community residents. This approach would allow any additional questions/ideas obtained from the meeting to be included in the survey. Members also suggested that the number of survey questions be limited to ten in an effort to increase the number of responses. Before next month's meeting, members were asked to prepare ten questions that they would like to see included in the community input survey, and email same to Chair Scheuerlein with cc to Mr. Nanney.
