

Frankenlust Township Special Meeting

August 21, 2025, 1:00 P.M.

Call to order: 1 :00 P.M.

Public Input: None

Present: Cambell, Stothard, Britton, LaPan, Begick.

Fire Department: The goal is to improve the staffing, which will improve the overall service and safety of Frankenlust Township. Frankenlust Township is one of the oldest populations of which there is an increase in calls but a decrease in staffing availability during the daytime hours Monday-Friday. A document was given to the board with multiple proposals, one of which was to remove the \$5.00 an hour on call system and replace it with a Paid-on Call schedule with added part-time staffing at members' current rate of pay. Report is on file.

Motion by Begick/Britton to amend the budget and approve the additional funding necessary to provide supportive services for the remainder of the year with the monetary value not to exceed \$50,000.00. The Boards discussion further states more research and follow up are needed prior to our annual budget in 2026.
