

# MECHANICAL & PLUMBING INSPECTIONS & PERMITS

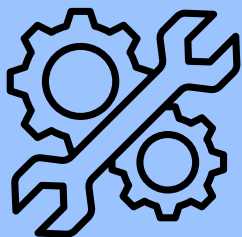

**MECHANICAL & PLUMBING INSPECTOR:**

**TOM VERELLEN (989) 246-4817**

**\*Call Tom directly to schedule an inspection\***

## **Mechanical Permit**

A mechanical permit is required when replacing a furnace, bath and kitchen fans, dryer vents, factory-built chimneys, adding air conditioning, and installing a gas or wood burning stove.

## **Plumbing Permit**

A plumbing permit is required when adding plumbing, installing underground plumbing, changing placement of fixtures or replacing water heaters.
