Simply dock your iPad

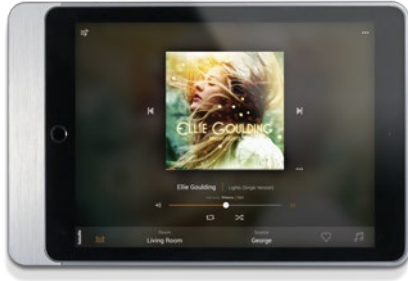

eve plus table base
brushed brass

Elegant perfectionist

Eve Plus is an elegant docking station for iPad. It lets you easily mount your iPad on a wall or table, in any orientation, while keeping it permanently charged. Thanks to its minimalist design, Eve Plus only adds the bare minimum to the iPad's iconic design, **making it the slimmest mount worldwide.**

Eve Plus is precision engineered from high-quality metals in the same finishes as the Basalte luxury switches, thermostats and sockets. Altogether, Eve Plus subtly blends in with the most stunning home, hotel and office interiors worldwide.

Sleeve

- lightweight design
- soft touch pads on back for comfort
- integrated magnets to dock iPad on wall or table
- integrated connector to charge iPad
- all key iPad functions and sensors remain available

Wall base

- integrated magnets to dock sleeve
- automatically charges iPad
- gold plated charger contacts with safety child protection
- installed on standard European wall box (60 mm screw distance)
- requires 24V DC power supply and 12W input power or a USB power supply depending on the model

Table base

- integrated magnets to dock sleeve
- automatically charges iPad
- adjustable viewing angle
- requires external USB power supply
- cable route integrated in bottom
- possibility to fix on horizontal surface

Impressive but subtle

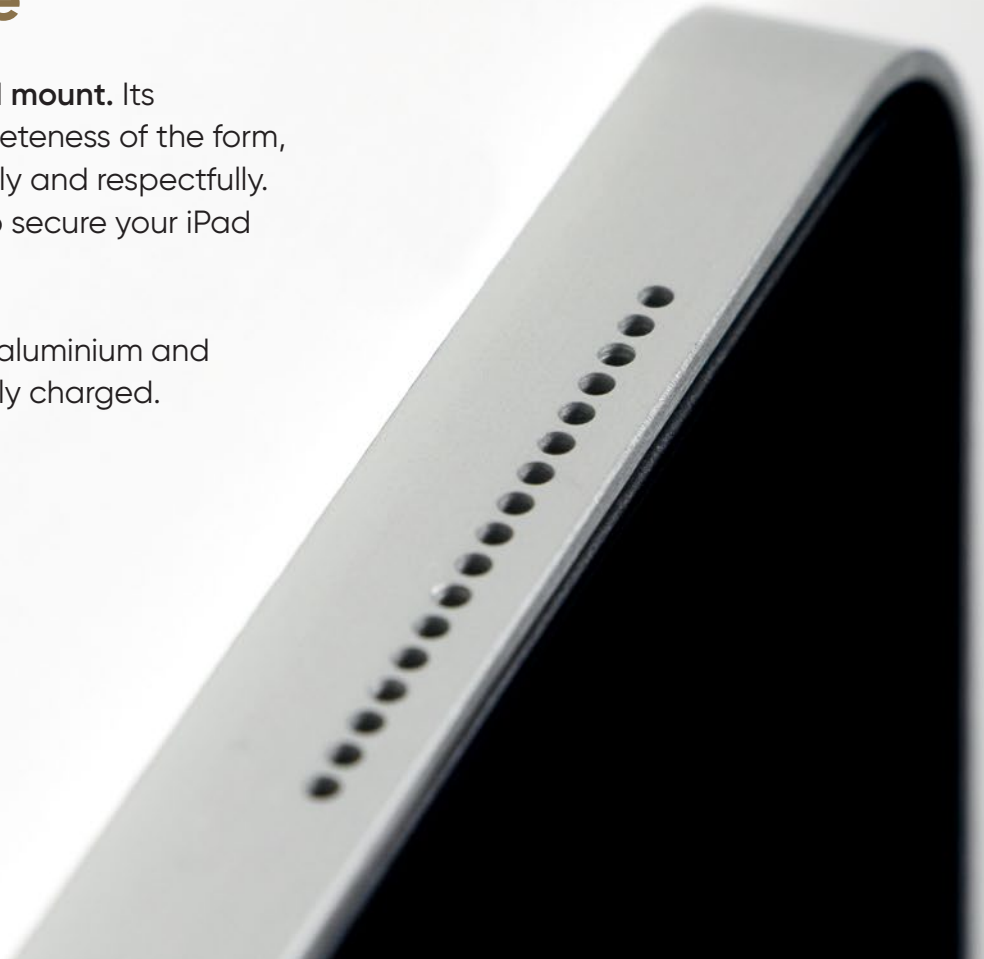

Details matter, it's worth waiting to get it right

Steve Jobs

Easy on the eye

Eve Pro is our most refined iPad mount. Its aesthetic power lies in the discreteness of the form, embracing the iPad Pro naturally and respectfully. It's the most elegant solution to secure your iPad on the wall.

Eve Pro is made of high-grade aluminium and keeps your iPad Pro continuously charged.

The elegant iPad mount

Simple in design

Eve, the ultimate iPad frame, turns the iPad into an amazing on-wall or table touch screen, while fully respecting its design. The frame is precision machined out of a single piece of aluminium and is available in various high-quality finishes.

Gigabit PoE adapter (not for iPad Pro)

puck 2A USB charger

installation of frame using 2 screws

compatible with Lightning connector

Simple in installation

Eve is easily mounted on the wall. It can be positioned in portrait or landscape orientation.

The iPad is permanently charged using an iPad charger or the puck USB charger making the device always ready to use.

The puck USB charger is a small device that is hidden in a single gang wall box behind the iPad. The Eve cover hides unsightly charging cables or connections.

eve mini
satin white

Simple in use

As smart home systems today are more and more controlled with iPad, **Eve is the perfect solution to mount your iPad in style on the wall.**

For commercial applications like retail and hospitality, Eve is available with security cover. By means of a small tool, the iPad can easily be unlocked and removed again.

Eve touch for iPod touch

iPod touch is a handy replacement for the larger iPad.

Eve touch is available in the same finishes as the other Eve frames. Eve touch can be equipped with a puck USB charger, which ensures that the iPod remains charged and is always ready for use. No unsightly cables or connections are visible.

Table base for Eve 9.7" & Eve mini

This accessory leads to more ease of use and can be used in both residential and public applications.

It serves as a perfect solution for hotels or restaurants at the reception desk or as a publicity screen.
