

# FAQs - Customers Frequently Asked Questions

## Your Customers May Have Questions About Our Products

Q: I just received products from Pop-N-Spirit. How long do they last?

A: All of our products are made to order for maximum shelf life. Each product can last for up to 6 months when stored unopened in a cool, dry place.

Q: What are your most popular flavors?

A: Wendy City, with Jalapeno Cheddar and Have Cake, Eat It 2 right behind them. In the fall and winter, the demand for Caramel Apple increases significantly, and our freedom mix has grown in popularity recently.

Q: Is your popcorn premade?

A: NO! We make only small-batch popcorn. Every order received is popped fresh daily, and we never hold product from the day before.

Q: We love this popcorn so much, where can we buy more?

A: We know it is addicting; you can find us online at [www.popnspirit.com](http://www.popnspirit.com).

Q: Does your popcorn have GMO, MSG, or gluten?

A: NO! Our products are gluten-free, non-GMO corn, and no MSG. We only use pure coconut oil: no high fructose corn syrup and no added preservatives.

Q: Do you have Nutritional facts?

A: Yes, our Nutritional facts are available upon request.

Q: Does your popcorn have allergens such as nuts?

A: This product is processed in a facility that also processes wheat, soy, milk, peanuts, and tree nuts. This is due to the product varieties we offer.
