Organization Frequently Asked Questions

Your Organization May Have Questions About Our Fundraising Program:

Q: We are interested in having a fundraiser with Pop-N-Spirit. How do we get started?

A: If you have not done so already, start by downloading our forms, then contact us at info@popnspirit.com or 1-877-I LUV POPCORN.

Q: How much profit do we make selling your gourmet popcorn?

A: Your organization earns 50% profit on each item that it sells. An example would be our retail price is \$7.00 per bag, your organization would keep \$3.50.

Q: What is the minimum order we need for free delivery?

A: If the order total is more than \$450.00, then your order ships free. If the order total is less than that, shipping is quoted based on weight. Please note, local pick up and delivery are available. Please get in touch with us for further minimum order requirements.

Q: What if we don't reach our minimum order?

A: We do not have any order minimums. If the order is less than \$450.00, the only fee would be a shipping charge. Please note, local pick up and delivery are available.

Q: How long should we run our sale?

A: We have found that most successful fundraisers last two weeks, but you can run a sale for as long or as short of a time as you want.

Q: How do we pay for our order?

A: After the order is submitted and verified, we will send you an invoice. The invoice must be paid in full before shipping. Payments are accepted via business checks, or we can also accept cash or credit cards.

Q: How will we be invoiced?

A: Your organization is charged our wholesale price for each item that it sells. A shipping fee will appear if the minimum order requirements are not met.

Q: Is FREE local pick-up available?

A: Yes. You can schedule an appointment for local pick-up. Local delivery is also available. One of our employees can deliver your items for a small fee.
