Judging Criteria

Items that Judges are looking for	5 Excellent	4	3	2	1 Poor	Total Points
The theme is "Fairness to All". Submissions can be written, art, performance or presentation. However, the Judges **must** be able to **make the connection** between the **Theme and the Student's submission**. Is the student's submission of the theme "Fairness to All" clear to the Judge?						
Does the written, art/performance or presentation appear to be an original work?						
Was the ECOC on line application form fully completed with the correct required attachment? See Rules. - Written submissions (Essay, Short Story, Script for play, Poem, Research Paper) must be on a double spaced Microsoft word document. - Art & Performance (Art or Sculpture) Take photo of item. Upload photo and a word document describing how your item addresses the theme. - Art & Performance (Song, Skit, Speech, Rap/Spoken Word) Upload word document of the actual text. Also upload a word document describing how your item addresses the theme. - Art & Performance (Dance). Upload word document describing how your dance addresses the theme. - Presentation (Power Point/Prezi) Upload actual presentation & upload word document describing how your item addresses the theme. - Presentation (Video) Upload a word document describing how your video addresses the theme. - Other: Attach a word document describing how your submission addresses the theme.						
Is the approach to the theme innovative?						
Is the submission organized and constructed in a manner that demonstrates the student spent time in planning, researching, and executing a quality product?						
What is the overall impression of the submission?						

Notes/Comments:
