

2025 Seedlings for pre-order:

To order, send us your selections from the list below. Email: beyondorganic@9acres.ca
Call or text: 905-512-4029

Available for pick-up on the Friday/Saturday May 9-10 & May 23-24, 9am-5pm and all weekend long during the long weekend, May 16-19 (holiday Monday too!) 9am-5pm daily. Contact us if you need to make arrangements outside these days and times, or pop by, we're usually in the fields or 9 Acres Nook.

\$5/pot (HST included) tomatoes, peppers & eggplants. Others vary.

More veggies and herbs await you on site.

The 9 Acres Nook, the shop in the barn will also be open for you to taste our famous tomato jam and pick up your favourite unique dried goods and treats :)

Please note, limited quantities on some varieties. If they're ~~crossed-out~~, we're out for this season.

Need any more details? Contact us.

Hot

From mildest to hottest. The number in parenthesis refers to their heat units on the 'Scoville scale'. The higher the number, the hotter the pepper! Unless otherwise stated, the number represents an average or a range. Also remember that the heat lies mostly in the seeds and membrane that holds the seeds. There is also a big difference in heat between raw/fresh peppers and cooked ones.

Hot Paprika (250-500)
Corbaci (500)
Spanish Padron (50-200 they vary from pepper to pepper!)
