

## Neighbor Spotlight

### Meet Sharon & Dennis Papp!

Our adventure started in 1992, when Dennis got transferred with AT&T to Georgia. Dennis started his new job in April, our son Ryan moved here in July and I (Sharon) came in October. We bought a house in Fulton County, and after 9 years of high taxes we moved to Cherokee County. We found our house in Laurel Ridge that was about 3/4 of the way done, and liked it very much! So we bought it and moved in July, Friday the 13th 2001. We were the first ones in Laurel Ridge! Then 911 happened and things came to a halt. When the builders started building again it took 1-2 years to complete the whole neighborhood. Over the years we have seen neighbors move in and out of Laurel Ridge and have made several friends here. Lately there have been a lot of young families and children move in, so it should be fun to watch them grow up here! We have enjoyed our years here in Laurel Ridge with our neighbors and friends.

### REMINDER!

Neighbors are still sighting various snakes around their homes. Take a minute to understand which snakes are helpful and which are harmful! Additional information posted on the [Laurel Ridge website](#).

## Meet some of our most loyal residents in our... PET SPOTLIGHT!

Hi, I'm **RAMSEY**! I'm a 7 year old Treeing Walker Coonhound living at 135 Laurel Ridge. I was adopted by the Allen's in 2020 from a shelter in the NC mountains where I had 13 puppies

on New Years Eve and underwent 6 months of heartworm treatments. I love spending my days sleeping on the sofa and my favorite time of day is breakfast and dinner time.

Hi, I'm **BULLET**, Ramsey's brother! I am not as fast as I used to be but at one time I was faster than a speeding bullet. I am a 12-13 year old pure mixed breed. I moved into Laurel Ridge in 2013 when I was adopted by the Allen's. I love being with my daddy and spend my days laying in his office. I love going for walks and breakfast and dinner time.
