“I am a long-time resident of Washington Township and, as your Mayor, I will embark on an aggressive plan of action for economic growth in Washington Township. We will create a business-friendly environment, focus on fiscal responsibility to end irresponsible spending, reduce property taxes, and will provide renewed focus on maximizing government transparency and accountability. It is time to end the institutional corruption of the existing administration,” said Vin Spinelli. To learn more visit www.spinelli2020.com.

Live and on-air, Vin will introduce fellow Council candidates Anthony DellaPia and Rich Bennett,

both long-time residents of Washington Township who bring a wealth of experience, coupled with a strong work ethic that will serve Washington Township well. Together, Spinelli, DellaPia, and Bennett make up **“The Premier Team for Washington Township.”**

Washington Township, with a population of 47,517* residents, has 39 districts and 12 separate polling locations. In 2020, the mayor and two council seats are up for election, with all elected officials serving a term of four years. For more district and polling location information, visit www.wtgop.com.
