

Good afternoon everyone,

Today, we have taken the difficult decision to postpone the Blenheim Palace Hedgejog 10k event to Sunday the 16th of July 2023

As you may be aware, the race was set up to raise money for Andrew's Hedgehog Hospital, who for many years, have released injured Hedgehogs (once rehabilitated) into the safety of the grounds at Blenheim.

Unfortunately, although there has been great interest in the race, this has not equated into people entering, which means that it would have operated without raising money for the Hedgehog Hospital. This is obviously something that we can't allow to happen, and so after much discussion, we have decided to move the race to next year, which gives people more time to enter (and find out) about the event.

We appreciate that this may come as a surprise, and we can only apologise profusely for the inconvenience that this may cause.

There are 3 options available to you now:

- 1) Obtain a full refund
- 2) Defer to next year's event
- 3) Donate your entry to the Hedgehog Hospital

In the next 48 hours, you will receive a questionnaire, which will ask you which of the three you would like to do. Once this is received back, we will action your request.

Thank you for your understanding

Andrew's Hedgehog Hospital and Curly's Athletes
