Company Mission

As a company, Little Mountain Kitchen Creations promises to embrace the values of efficiency and dedication. We intend to bring the qualities of enthusiasm and poise into our business in order to have a positive impact in our community. We will create a historically rich product that will fill a need in our community.

Company Vision

The vision of Little Mountain Cooking Creations is to train prospective business and community leaders, teach students new tasks and skills, and increase the financial literacy of our members.
