

Writers often speak of a muse that inspires their work. For me, that muse is music—it sets the mood, drives the rhythm, and gives each story its heartbeat. At Heart Tide Press, I find that music shapes the pace, emotion, and timing of the words as they move from imagination to page. I hope you enjoy my Spotify playlists, including the Melody of the Deep, and feel the story stirring in every note.

Children of Tayjaru

Coming to Amazon

July 30 2025

Playlist one: [Melody of the Deep, Chapters 1-7 & 13-16](#)

This was my primary playlist, which I played while writing most of the chapters, and usually played during the editing process. The instrumentals set the emotional tone and mood for my writing. I hope you enjoy it!

Playlist two: [Melody of the Deep, Chapters 8-12](#)

I listened to this one while writing the key action sequences of the story. I won't say more about that: don't want to give you any spoilers!

Playlist three: [Children of Tayjaru: The Raid](#) :

You'll know when to put this one on! The exciting rhythm drove the action.

Playlist four: [Children of Tayjaru: Mt. Arkpry:](#)

Just when you thought everything was going to be ok. This playlist drove the action for the last 25% of the novel.
