START YOUR GOLF SEASON PAIN-FREE & LOWER YOUR SCORE WITH MEDISTIK

MEDISTIK is the best topical pain relief and is used by professional athletes including MMA Champion fighter Elias Theodorou, Canadian Military and over 4000 health care professionals.

MEDISTIK is your go to topical pain relief!

Give your members MEDISTIK to enjoy their game pain free. MEDISTIK can also be used preventatively even before you start the round. MEDISTIK will carry your members all the way to the 18th green, pain-free.

"I have used Medistik now for over a year and it has been such a savior. The spray helps to awaken the muscles before I start my round and during warmup. Once I'm done the round I reach for the stick for the best long-lasting relief aches or pains associated with the day. I think this is a must in any Golfers bag! Canadian-made and truly the best on the market!"

Carry MEDISTIK (STICK) in your golf bag for immediate on the go relief. It is packaged in an easy to use, non-messy stick dispenser that is applied hands-free. This unique application is beneficial to any golfer on the field that has no access to washing facilities. You can easily apply and GOLF!

Unlike other topical analgesics that only temporarily mask pain, with pain returning rapidly once the treatment wears off, MEDISTIK's potent anti-inflammatory components resolves the pain for you FAST!
