

PURE AIR RESTORATION

Because air quality has never been so important!

SUPPORTING THE ERADICATION OF COVID-19

The Origin 40, brand new for 2022, APP control options and up to 40 m² coverage, for less than £360.

The fight against COVID continues indefinitely, and we are pleased to bring HEPA 13 technology that is certified to a minimum of 99.97% efficiency in removing Viral load and bacterial particles. It's a key factor in maintaining your health & safety and wellbeing, personal and business. KEEP WELL, STAY OPEN.

The Pro 150, with coverage to 150 m², the powerhouse of our fleet, ideal for larger office spaces, function rooms and large open communal areas.

The Aero 100, less than 10kg, ideal for areas up to 100 m², ideal for Classrooms, Salons and meeting rooms.
