ASAVRAIL carries out Consultancy, Design and Assurance (Independent Checking and CRE-D), Engineering Management, Project Management and Development Training for Railway Systems and Power Engineering (E&P/D&P/M&E).

As an independent contractor, working outside of IR35, we provide specialist support for the delivery of railway electrical power designs at a Chartered Principal Engineer competency level for projects in the UK, Ireland and Overseas.

We have award winning technical expertise in Signalling Power (E&P) and the Digital Railway.

ASAVRAIL additionally offers technical assurance, competency management, technical collaborative and innovative CPD technical workshops with global experts and suppliers, professional registration support, application of Railway Standards/Guidance and mentorship including STEM.
