

Friends at Birling All Saints

warmly invite you to join in with our Christmas 2018 fund raising activities to support community facilities in the church.

This year we are designing special Christmas baubles that you can buy in loving memory of family or friends who you'd like to remember at this special time of year. All baubles will be displayed on our wonderful Christmas tree which will be lit-up at the All Saints Carol Service.

Visit www.fab-allsaints.com for more details and to read about other planned Christmas activities.
