

In recognition of National Volunteer Month, we're shining a spotlight on the many different ways you can get involved by providing help, support, and hope to the ALS community. Volunteering is a powerful way to make a positive impact in any community. And when it comes to supporting people impacted by ALS, each and every volunteer action makes a difference.

Middlesex County Deputy Sheriff's Association is sponsoring

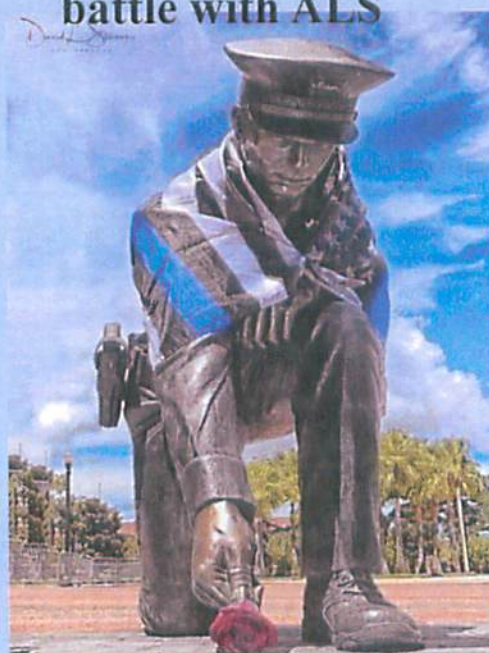

**TEAM SNOW CURE ALS
SNOW BOWL 24.**

In memory of our Middlesex Correctional Officers that lost their
battle with ALS

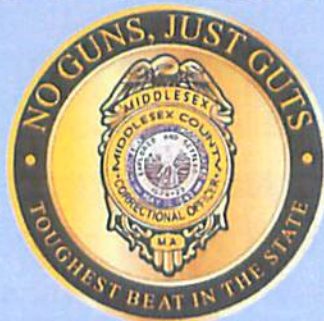

*Brad Snow
(Father)*

*Matt Snow
(Son)*

Dan Snow (Matt's cousin and Brad's nephew) is an officer at the Middlesex Sheriff's Office currently.

CURE ALS

Dear Rich,

We would like to thank you for your generous sponsorship. We raised over 10,000 dollars with half the money going to ALS ONE and the other half going to University of Miami: Dr Benatar's ALS Research Collaboration. We couldn't have achieved this without your kind donation and hope you will continue to help us Stike Down ALS.

The SnowBowl started after the loss of Brad Snow in 2013. Brad was our friend and brother but watching him pass away was difficult. The Snow family had already lost their brother David in 2004. Then it took Brad's son, Matt, in 2016. Brad's brother Bob fell to this horrible disease, in 2018. In 2023, Bob's son, Chris, lost his battle with ALS. The family has familial ALS which affects only 10% of ALS patients. We do this out of love for them and their family with the hope of one day that this horrific disease will be eradicated from their family and the world.

Team Snow thanks you for your very generous donations of the T-shirts. Without your donation we wouldn't have made the \$10,000 milestone. We are truly thankful and look forward to your continued support in our fight to Strike Down ALS.

Thank You,

Keith
