## Sara Speaks

FEBRUARY is the month of love and in 2024, if you love your family, friends and the next generation, you will put your Love of Country at the top of your list!! I can't put this message strongly enough and I can't say it often enough, but the reality is, it is show up time or lose our country and quality of life.

Star Republican Women need your help as we "Bank our Vote" and "Harvest Voters"!! We can no longer be content to just vote on Election Day, work the polls, vote early, lick a stamp, and think you are finished.

The election of 2024 means you DO vote early and "Bank your Vote" and you reach out and encourage friends and families and total strangers who are Fed Up with the current administration to come get involved! Our February meeting includes an extended forum to meet our candidates and an opportunity to bring a friend, make a friend, or encourage a friend.

If not now, WHEN?? Voting is a group activity! Join us!

Sara Boyd, President
