PAST PERFORMANCE

Defense Intelligence Agency, Open Source Intelligence Integration Center (OSIC)

Contract Number: HHM402-22-A-0008-0007

Period of Performance: August 13, 2023 – August 12, 2028

As a subcontractor to FedRFP, LLC., Ortetine performs functions that assist the government in managing the Finance and Acquisition functional portfolio, investments management, and Capital Planning and Investment Control (CPIC). Assists the government in establishing goals and targets, monitoring performance, and reporting against acquisition plan and program management performance criteria. Ortetine supports on-site quality control, review, approval of working papers and findings, and adherence to applicable standards, laws, policies, and regulations. Participate in teams for complex work streams with regular interaction with Financial Management, Comptroller, and Government clients. Apply technical expertise and skills to implement business solutions. Apply experience supporting change management, strategic communications, business process reengineering, and financial management system implementation.

DIFFERENTIATORS

Ortetine's experts have moreover 20 years of experience, holding advanced degrees, highly qualified and hand-picked to meet customer's needs. We provide a dynamic and results-driven approach to transforming many challenges into benefits by excelling in acquisition, finance, cloud, cybersecurity, supply chain risk management, and other IT solutions. We have a proven track record of excellence in government organizations such as the Office of Under Secretary of Defense for Intelligence and Security (OUSD I&S), National Geographic Intelligence Agency (NGA), and Defense Intelligence Agency (DIA). We provide a white-glove approach and deliver mission-essential items that exceed the standards of our customers.
