Dear Jason, Corissa, and the Small Town Cancer Fighters Team,

I want to extend my sincere thanks for your incredible support and generosity. Through your Spring Yard Clean Up initiative, you raised an outstanding **\$35,750.38** in support of the purchase of the iBright equipment at the Verspeeten Family Cancer Centre.

What you accomplished is truly remarkable. Your hard work and commitment will help advance research and support the care of patients and families in our community. The impact of this contribution will be felt far beyond the day of the fundraiser.

I am especially grateful for the trust you placed in us to partner with you on such a meaningful investment in the future of cancer research and patient care. It has been an honour to work alongside your team and witness the dedication and heart behind everything you do.

Thank you again for your generosity, your leadership, and your belief in the work happening at the Verspeeten Family Cancer Centre.

With sincere appreciation,

Jennifer Watts
