About Us

Appleseed Academy is a private Christian school and child care center. During the academic year, we offer Preschool through 4th Grade classes. During the summer, we offer enrichment camps for children ages 2 through 12. We also offer child care year-round for children ages 18 months to 12 years.

It is our goal to create a safe, secure, and nurturing environment in which each child can reach his or her full potential. Our educational programs are designed to promote the academic, physical, social, and spiritual development of the children in our care.

Our highly trained and experienced teachers and staff work closely with parents to understand each child's individual needs and abilities and to tailor a program that meets the unique needs of the child.

Toddler (18 months - 2 yrs)

Child care for toddlers is available on a full-time basis, beginning at 18 months of age. Our Toddler Room provides a loving and nurturing environment in which children enjoy story time, music and dance, indoor and outdoor playtime, and lots of one-on-one time throughout the day.

Preschool (2 - 4 yrs)

Our preschool classes utilize a nationally recognized, professionally developed curriculum that focuses on helping children develop the skills necessary for future success in school and in life. Our program is based on the philosophy that preschoolers learn best through play and hands-on

experiences. Domains covered in our program include literacy, math, social studies, science, the creative arts, physical health, and social and emotional development.

Elementary School (K - 4th Grade)

Our elementary program offers a rigorous, advanced, and research-based curriculum that focuses on teaching the way today's students learn - visually, interactively, and digitally. Differentiated instruction, combined with small class sizes, allow students to learn in their own way and at their own pace.

After-School Childcare (5 - 12 yrs)

School-aged children are provided with homework assistance, indoor and outdoor games and physical activities, arts and crafts, and the opportunity to make new friends and have fun in a safe and supportive environment.
