

# APPLESEED ACADEMY

Private Christian School and  
Child Care Center

Train up a child in the way he should  
go; even when he is old, he will not  
depart from it.

Proverbs 22:6

# APPLESEED ACADEMY

## ABOUT US

Appleseed Academy is a private Christian school dedicated to nurturing the growth of the whole child – academically, socially, and spiritually. Serving families with children from preschool through early elementary, we provide a supportive and engaging environment in which children are encouraged to explore, discover, and thrive.

Grounded in Christian values, our school emphasizes kindness, integrity, and a love of learning. Our summer camp program extends these principles through fun-filled days of creativity, outdoor play, hands-on activities, and lasting friendships – all within a safe and supportive environment.

At Appleseed Academy, we are honored to walk alongside families as we help children grow into confident, compassionate, and capable young learners.

SUMMER CAMP  
PROGRAM  
2025

## FIELD TRIPS GRADES K-5

This summer, expand your child's world. Opportunities abound in the Dallas Metroplex for children to learn first-hand about nature, science, history, and the arts.

The following are just a few of the field trips that are planned for school-aged children this summer:

- ◆ George Bush Presidential Library
- ◆ Quiggly's Pottery & Art Studio
- ◆ Hapik Indoor Rock Climbing
- ◆ Interurban Railway Museum
- ◆ Nerfie's Glow-in-the Dark Nerf Wars
- ◆ Dallas World Aquarium
- ◆ Museum of Illusions
- ◆ Crayola Experience
- ◆ Kid Zania
- ◆ Movies, Arcade, Bowling, & Many More!

## SUMMER CAMPS

Get ready for a summer filled with fun and adventure! Our summer camps offer unique opportunities for children to expand their knowledge in an exciting and challenging atmosphere.

### June: Wildlife Adventure

Children will study the science of zoology as they learn about animals from across the globe. From investigating animal habitats and life cycles to exploring how different creatures adapt, move, and communicate, each day brings a new discovery. Along the way, children will learn the importance of conservation – how we can care for and protect the animals and their environment.

### July: Art Studio

Children will learn about some of the world's most famous artists like Picasso, Van Gogh, Monet, and Michelangelo. As they explore different art forms, brush strokes, and art tools, they will discover ways to use art to express themselves. Each week, they will investigate a different country's art, culture, and traditions. This artistic adventure is sure to touch each child in a unique way.

### August: Science Lab

Children will embark on a month-long journey of scientific discovery. Each week explores a different branch of STEM – Crazy Cool Chemistry; Fantastic Physics; Incredible Engineering; and Brilliant Biology. Children will engage in dynamic experiments, creative building challenges, outdoor investigations, and group activities that promote problem-solving, collaboration, and critical thinking.
