

Program Design

Our program is structured as a 7-week course that deeply explores the fundamentals of entrepreneurship for launching a business.

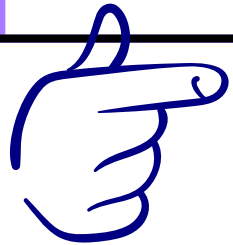

Entrepreneurship

ahn-truh-pruh-nur-ship

The process of starting a business or improving an existing one to create economic value

About Us: Next Gen Is an emerging after school gem that helps our elementary and middle friends learn the fundamentals of **Entrepreneurship**

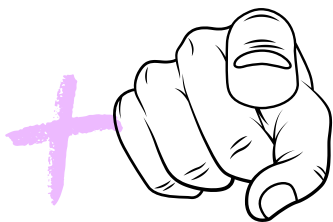

Modified

School year reduces Next Gen workload to prioritize student academic success

WE PARTNER WITH PARENTS TO ACCOMMODATE STUDENTS

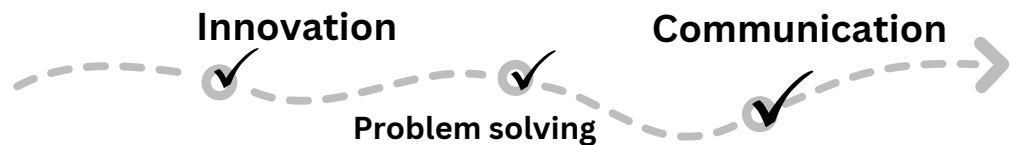

The door is always open to volunteers

= ACTION

Volunteers email Advised07@gmail.com
