## WHAT I DO

I am a Mom Coach and Mentor. I support moms who are feeling lost in motherhood, overwhelmed and want strategies and systems for their homes and their lives. The women we were before having kids still matters. I'd love to help you connect with her again.

## WHO I AM

I am a wife of 30+ years and mother to 3 adult children (and bonus son). They are all college graduates, living on their own and enjoying life. I'm also the Founder of Moms Mentoring Circle, author, speaker and morning news contributor. I believe "mothering doesn't have to happen alone."

## WANT MORE?

Are you feeling overwhelmed with the weight of motherhood? Do you wake up each day with that never ending to do list? We know stuff has to get done but who says you have to do it all or that it all has to be done right now?
