## Article 2

### Property Subject To This Declaration

2.1 Property Hereby Subjected To This Declaration. The real property which is, by the recording of this Declaration, subject to the covenants, conditions, restrictions and easements hereinafter set forth and which, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied and encumbered subject to this Declaration is the real property described in Exhibit "A" attached hereto and by this reference made a part hereof.

2.2 Unilateral Annexation By Declarant. As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time at any time until ten (10) years after the recording of this Declaration to subject all or any portion of the real property described in Exhibit "B" attached hereto and by this reference incorporated herein, to the provisions of this Declaration and the jurisdiction of the

Association by filing for record in the office of the Clerk of Superior Court of Cherokee County, Georgia, a Supplementary Declaration describing the property being subjected. Any annexation shall be effective upon the filing for record of a Supplementary Declaration unless a later effective date is provided therein. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of existing Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property. If any land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

2.3 Other Annexation. Upon the written consent of: (a) the owner(s) thereof; (b) the Declarant; and (c) the Owners of at least two-thirds (2/3) of the Lots, the Association may annex real property to the provisions of this Declaration and to the jurisdiction of the Association by filing for record in the Cherokee County, Georgia land records a Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration shall be executed on behalf of the Association by the President of the Association whose signature shall be attested by the Secretary of the Association. The annexation shall be effective only upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

2.4 Withdrawal of Property. Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Article for the purpose of removing any portion of the Community then owned by Declarant or the Association from the coverage of this Declaration, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Community, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community. Any such withdrawal shall be accomplished by the filing for record of an amendment to this Declaration describing the property removed and shall be effective upon filing for record in the Office of the Clerk of Superior Court of Cherokee County, Georgia unless a later effective date is provided therein. Such amendment shall be executed by the Declarant and the Owner(s) of the property being removed and shall not require the vote or consent of any other Person.

### Article 3

#### Association Membership and Voting Rights

3.1 Membership. Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of a Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the spouse of a member, but in no event shall more than one (1) Person representing a single membership hold office at the same time. This Section is not

intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of officers and directors appointed by the Declarant.

3.2 Voting. Members shall be entitled to one (1) vote for each Lot owned. When more than one (1) Person holds an ownership interest in a Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting or referendum. The vote attributable to a Lot shall be suspended in the event more than one Person seeks to exercise it. The Board of Directors may suspend the voting rights of an Owner for any period during which any past due assessment against any Lot of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws or rules and regulations.

3.3 Notice of Sale, Lease or Acquisition. Prior to the sale or lease of a Lot, the Owner shall provide the Association with written notice of the name of the purchaser or lessee, as the case may be, and such other information as the Board may reasonably require. Upon acquisition of a Lot, each new Owner shall provide the Association with written notice of the name and mailing address of the Owner and such other information as the Board may reasonably require.

#### Article 4 Assessments

4.1 Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners of Lots, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

4.2 Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) general assessments; (b) special assessments; and (c) specific assessments. All such assessments, together with late charges, interest (at a rate set by the Board of Directors from time to time, but not to exceed the lesser of the maximum rate permitted by law or ten percent (10%) per annum on the principal amount due) and costs of collection, including, without limitation, reasonable attorney's fees actually incurred, shall, from the time the sums become due and payable, be a charge on the land and shall be a continuing lien in favor of the Association on the Lot against which each assessment is made. The recording of this Declaration shall constitute record notice of the existence of the lien and no further recordation of any claim of lien shall be required. Each such assessment, together with such late charges, interest and costs, shall also be the personal obligation of the Person who was the Owner of the Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings. No Owner may waive or otherwise exempt themselves from liability for the assessments

provided for herein, including, by way of illustration, but not limitation, abandonment of the Lot or nonuse of the Common Property. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, the obligation to pay assessments being a separate and independent covenant on the part of each Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments.

4.3 General Assessments. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. The Board shall cause the budget and the assessments to be levied against each Lot for the year to be delivered to each member at least thirty (30) days prior to the due date of any general assessment. The budget and the assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote and the Declarant. Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget has been determined, as provided herein, the budget in effect shall continue. General assessments shall be levied equally on all Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the assessment shall be paid in one annual installment. General assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. General assessments may include, without limitation, sums for property taxes, insurance premiums, legal and accounting fees, management fees, charges for utilities, cleaning and janitor services, costs associated with the maintenance and operation of the storm water drainage facilities and storm water detention/retention ponds serving the Community, landscape maintenance and expenses and liabilities incurred as provided herein and in the Articles of Incorporation and Bylaws for indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.4 Special Assessments. The Association may levy a special assessment if approved by two-thirds (2/3) of the Total Association Vote and the Declarant. Special assessments shall be paid as determined by the Board. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.5 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. Fines levied pursuant to this Declaration, the initiation fee and the costs of maintenance performed by the Association for which the Owner is responsible shall be specific assessments. The Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of

the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; and (b) expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

4.6 Subordination of Liens to Mortgages. The lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Lot if, but only if, all assessments and charges with respect to such Lot authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior to the satisfaction, cancellation or foreclosure of such Mortgage or the sale or transfer of the Lot pursuant to any proceeding in lieu of foreclosure or the sale or transfer of the Lot pursuant to a sale under power contained in such Mortgage. Such subordination is merely a subordination and shall not relieve the Owner of the Lot of the personal obligation to pay all assessments coming due during such period of ownership; shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's assignee or transferee by foreclosure or by sale under power); and no sale or transfer of such Lot to the Mortgagee or to any other Person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure or pursuant to a sale under power, shall relieve any existing or previous Owner of such Lot of any personal obligation or relieve such Lot or the then Owner of such Lot from liability for any assessment authorized hereunder that becomes due after such sale and transfer.

4.7 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights granted herein, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge in the amount of the greater of Ten (\$10.00) Dollars or Ten percent (10%) of the amount due. The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a claim of lien with the Office of the Clerk of Superior Court of Cherokee County, Georgia, but no such claim of lien shall be required to establish or perfect the lien for unpaid assessments. Each Owner, by acceptance of a deed, vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also suspend, without further notice

or hearing, the membership rights of the delinquent Owner, including the right to vote, the right of enjoyment in and to the Common Property and the right to receive and enjoy such services and other benefits as may then be provided by the Association. Any such suspension shall not affect such member's obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent lien on such Lot in favor of the Association.

4.8 Date of Commencement of Assessments. Assessments shall commence when the Board of Directors first determines a budget and levies assessments. The assessments provided for herein shall commence as to a Lot on the date that the Lot is first occupied for residential purposes or is conveyed to an Owner who is not a builder acquiring such Lot in the ordinary course of business or a successor Declarant, whichever is the first to occur. A Lot shall be deemed to be occupied for residential purposes when it has been improved with a dwelling and has been conveyed to an Owner who intends to occupy the dwelling, or, if the dwelling is occupied as a residence before such conveyance, the date of such occupancy. Any Lot which has been approved by Declarant for use as a model home for marketing and sales purposes shall not be deemed to be occupied for residential purposes and shall not be subject to assessments under this Declaration whether owned by Declarant or any other Person, so long as such Lot is approved for use as a model home and is not occupied for residential purposes.

4.9 Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may annually elect either to pay regular assessments on its unsold Lots, or to pay the difference between the amount of assessments collected on all other Lots subject to assessment and the amount of actual expenditures by the Association during the fiscal year. Notwithstanding anything to the contrary herein, the Declarant's obligations hereunder may be satisfied in the form of cash or in contributions of services or materials or a combination of services and materials, rather than in money (herein collectively called "in kind contribution"), or by a combination of these.

4.10 Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as for the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

4.11 Estoppel Letter. The Association shall, within five (5) days after receiving a written request therefor and for a reasonable charge, as established by the Board, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot, shall be binding upon the Association.

4.12 Initiation Fee. Upon the sale of every Lot after it has been improved with a residence for which a certificate of occupancy has been issued, an initiation fee in the amount of \_\_\_\_\_ and No/100 Dollars (\$\_\_\_\_\_) shall be collected from the purchaser at the closing of such transaction and paid to the Association; or if not collected at closing, immediately upon demand by the Association. The initiation fee shall constitute a

specific assessment against the Lot, shall be in addition to, not in lieu of, the annual general assessment and shall not be considered an advance payment of such assessment. The initiation fee may be used by the Association for any purpose, including, without limitation, for the payment of operating expenses of the Association and other expenses incurred by the Association pursuant to the provisions of this Declaration. This specific assessment shall not apply to the holder of any first Mortgage on a Lot who becomes the Owner of a Lot through foreclosure or any other means pursuant to the satisfaction of the indebtedness secured by such Mortgage, but shall apply to the Owner acquiring the Lot from the foreclosing Mortgagee.

## Article 5

### Maintenance; Common Property

5.1 Association's Responsibility. The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair and replacement of all landscaping and improvements situated on the Common Property. The Association shall also maintain (whether or not constituting Common Property) the following: (a) all Community entry features whether or not such entry features are located on a Lot, privately owned property or public right-of-way; (b) all storm water detention/retention ponds, any gate or fence surrounding a storm water detention /retention ponds, and storm water drainage facilities serving the Community, whether or not any gate or fence surrounding a storm water detention/retention pond, are located on a Lot, privately owned property or public right-of-way, if and to the extent such facilities are not maintained by a local or governmental entity; provided however, each Owner of a Lot, and not the Association, shall be responsible for the maintenance of all storm water drainage facilities located on and used exclusively in connection with such Lot or the improvements thereon, including, for example, guttering, and pipes and drains for the transportation of storm water from such Lot into any storm water detention/retention ponds and storm water drainage facilities for the Community; (c) all open space and green space, including, without limitation any open space or green space which may be encumbered by a conservation restriction in accordance with the Cherokee County Zoning Ordinance; and (d) any irrigation system and the expenses for water and electricity, if any, provided to all entry features, open space or green space serving the Community. In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Community and to enter into easements and covenant to share costs agreements regarding such property, where the Board has determined that such maintenance would benefit Owners. In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, or the Occupants, family, guests, lessees or invitees of an Owner, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Owner as a specific assessment. All maintenance by the Association shall be performed consistent with the Community-Wide Standard. Any common irrigation system installed by the Declarant or the Association shall be Common Property, operated, maintained, repaired and replaced by the Association. The deed of conveyance of any Lot shall not include any right, title or interest in such irrigation system, if any.

5.2 Owner's Responsibility. Except for maintenance performed on a Lot by the Association pursuant to Section 5.1 hereof, if any, all maintenance of the Lot and all structures, landscaping, and other improvements located or constructed thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. Except as otherwise specifically provided herein, such maintenance obligation shall include, without limitation, the following: prompt removal of all litter, trash, refuse, and waste; lawn mowing on a regular basis; tree and shrub pruning; watering landscaped areas; keeping improvements and exterior lighting in good repair and working order; keeping lawn and garden areas alive, free of weeds, and attractive; keeping driveways in good repair; complying with all governmental health and police requirements; maintenance of grading and storm water drainage as originally established on the Lot; and repair of exterior damages to improvements, including, without limitation, periodic painting and pressure washing as needed. In the event that the Board of Directors determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair or replacement to the Lot at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement deemed necessary. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair or replacement, or, in the event that such maintenance, repair or replacement is not capable of completion within such ten-day period, to commence such work which shall be completed within a reasonable period of time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair or replacement to the Lot and all costs thereof shall be assessed against the Owner and the Lot as a specific assessment. This provision shall not apply to any Lot(s) owned by the Declarant, unless improved with a dwelling and occupied as a residence, or to any property owned by the Developer, if any.

5.3 Conveyance of Common Property by Declarant to Association; No Implied Rights. Declarant and/or Developer may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and, if and as provided in Section 5.1 hereof, maintained by the Association for the benefit of its members. So long as Declarant owns any property primarily for development and/or sale in the Community or Declarant has the right unilaterally to annex additional property to the Declaration, Declarant may, upon written notice to the Association, require the reconveyance by the Association to Declarant of any Common Property or any portion thereof, improved or unimproved, at no charge to Declarant, without a vote of the Owners/members of the Association, if the Common Property or portion thereof is: (i) found by Declarant to have been conveyed in error, (ii) needed by Declarant to make adjustments in property boundary lines, or (iii) reasonably determined by Declarant to be needed by Declarant due to changes in the overall scheme of development for the Community. The Association hereby constitutes and appoints Declarant as its agent and attorney-in-fact to accept/make on behalf of the Association any such conveyance and reconveyances and to execute on behalf of the Association any and all documents, including, without limitation, deeds

necessary or convenient to effectuate and document any such conveyances and reconveyances, and all acts of such attorney-in-fact are hereby ratified. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. The Declarant and Developer shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether or not any such property has been made available for the use of Owners. The Declarant and Developer may reserve, by lease, license, easement or otherwise, such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant and Developer may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association of any property shall create any rights, easements or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements or licenses are conveyed by the Declarant, Developer or the owner of such property to the Association or the Owners, as the case may be, by an instrument recorded in the Office of the Clerk of Superior Court of Cherokee County, Georgia.

5.4 Partition. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Lots located within the Community.

5.5 Condemnation. In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, the Association shall, if reasonably possible, restore or replace such improvements so taken on the remaining Common Property, unless within sixty (60) days after such taking, an alternative plan is approved by at least seventy-five percent (75%) of the Total Association Vote and the consent of Declarant. The provisions of this Declaration applicable to replacement or restoration of damaged improvements on the Common Property shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

5.6 Liability. Owners, Occupants and their guests shall use the common areas maintained by the Association and all other Common Property and all portions of the Community not contained within a Lot at their own risk and shall assume sole responsibility for their personal belongings used or stored thereon. The Association, the Declarant, the Developer and their respective officers, directors, employees, representatives and agents shall not be held liable for personal injury to any person occurring on the Common Property, nor for loss or damage to personal belongings used or stored on the Common Property or any other portion of the Community. The Association shall not be liable for injury or damage to any Person or property (a) caused by the elements or by an Owner or any other Person, (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association or from any portion of the Common Property, or (c) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the

Association, becoming out of repair. Nor shall the Association be liable to any Owner or Occupant for loss or damage, by theft or otherwise, of any property of such Owner or Occupant.

## Article 6 Architectural Standards

6.1 General. No exterior construction, alteration or addition of any improvements of any nature whatsoever (including, without limitation, staking, clearing, excavation, grading, filling, construction of impervious surface, building, exterior alteration of existing improvements, change in the exterior color of any existing improvement and planting and removal of landscaping materials), shall be commenced or placed upon any part of the Community unless, installed by the Declarant or an affiliate of the Declarant, approved in accordance with this Article, or otherwise expressly permitted under this Declaration. Any Owner may remodel, paint or redecorate the interior of structures on the Lot without approval hereunder. However, modifications to the interior of porches, patios and similar portions of a structure visible from outside the Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. This Article shall not apply to the activities of the Declarant, affiliates of the Declarant, or to improvements to the Common Property by or on behalf of the Association. This Article may not be amended without the written consent of the Declarant until (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued.

6.2 Guidelines and Procedures. Except as provided above, no exterior construction, addition or alteration shall be made unless and until plans and specifications shall have been submitted in writing to and approved by the Declarant. Such plans and specifications shall be of sufficient detail to allow the Declarant to make its review and to the extent required by the Declarant shall show the nature, kind, shape, height, materials and location of the proposed improvement. The Declarant may adopt written architectural guidelines and application and review procedures, which shall provide for a review fee. The Declarant shall have sole and full authority to prepare and to amend, from time to time at its sole discretion and without notice, the architectural guidelines, if any. The Declarant shall make the architectural guidelines, if any, available to Owners and builders who seek to engage in construction upon all or any portion of the Community and such Owners and builders shall conduct their operations strictly in accordance therewith. If the Declarant fails to approve or to disapprove submitted plans and specifications within thirty (30) days after receipt of all required plans and specifications, such approval shall be deemed to have been given. As a condition of approval under this Article, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement and insurance to and on any improvement, change, modification, addition or alteration. In the discretion of the Declarant, an Owner may be required to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Declarant shall be the sole arbiter of such plans and may withhold approval for any reason, including, without limitation, purely aesthetic considerations, and it shall be entitled to stop any construction in violation of these restrictions. The Declarant and its representatives shall have

the right, during reasonable hours and after reasonable notice, to enter upon any property in the Community to determine whether or not these restrictive covenants have been or are being complied with. Such Persons shall not be deemed guilty of trespass by reason of such entry. If construction does not commence on a project for which plans have been approved within twelve (12) months of such approval, such approval shall be deemed withdrawn, and it shall be necessary for the Owner to resubmit the plans to the Declarant for reconsideration.

6.3 Limitation of Liability. Plans and specifications are not approved for engineering or structural design or quality of materials and by approving such plans and specifications the Declarant assumes no liability or responsibility therefor or for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the Developer, nor the officers, directors, members, employees and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans and specifications and every Owner agrees that such Person or Owner will not bring any action or suit against Declarant, the Association, the Developer or the officers, directors, members, employees and agents of any of them to recover any damages and hereby releases, remises, quitclaims and covenants not to sue for all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.

6.4 No Waiver. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring approval or consent of the Declarant, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications or drawings or matters whatever subsequently or additionally submitted for approval or consent.

6.5 Variances. Notwithstanding anything to the contrary contained herein, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration and the architectural guidelines, if any, if it determines that waiver of application or enforcement of the provision in a particular case is dictated by unique circumstances, such as, but not limited to, topography, natural obstructions, hardship, aesthetic considerations or environmental considerations and would not be inconsistent with the overall scheme of development for the Community. No variance shall (a) be effective unless in writing, (b) be inconsistent with the overall scheme of development for the Community, or (c) estop the Declarant from denying a variance in other similar circumstances. For purposes of this provision, the inability to obtain approval of any governmental agency or the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

6.6 Enforcement. Any structure, improvement or landscaping improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the Declarant, Owners shall, at their own cost and expense, remove such nonconforming structure or improvement and restore the land to substantially the same condition as existed prior

to the nonconforming work. Should an Owner fail to remove and restore as required, the Declarant and its agents shall have the right to enter the property, remove the nonconforming structure or improvement, and restore the property to substantially the same condition as previously existed. All costs, including, without limitation, reasonable attorney's fees actually incurred, may be assessed against the Lot as a specific assessment. Any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the architectural guidelines, if any, may be excluded by the Declarant from the Community, subject to any applicable notice and hearing procedures contained in the Bylaws. In such event, neither the Declarant, the Association, the Developer or the officers, directors, members, employees and agents of any of them shall be held liable to any Person for exercising the rights granted by this paragraph, including claims for damages resulting from the removal of the nonconforming structure in accordance with the procedures set forth herein. In addition to any other remedies available to the Declarant, in the event of noncompliance with this Article, the Declarant may record in the appropriate land records a notice of violation hereunder naming the violating Owner. In addition to the foregoing, the Declarant shall have the authority and standing to pursue any and all remedies available at law and equity to enforce the provisions of this Article.

6.7 Architectural Control by Board of Directors. Until (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued, the Declarant shall have the sole right, power and authority under this Article. There shall be no surrender of this right except in a written instrument in recordable form executed by Declarant and recorded in the land records of the Clerk of the Superior Court of Cherokee County, Georgia. Upon expiration or earlier surrender in writing of all or a portion of such right and authority, the Board of Directors shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant. The Board shall have the right, but not the obligation, to establish an Architectural Review Committee to oversee architectural control in the Community. The Declarant may in its sole discretion relinquish architectural control as to certain types of improvements or modifications to the Board of Directors while retaining control over all other building and construction in the Community. For example and without limitation, the Declarant may relinquish control over modifications of existing structures to the Board of Directors while retaining all authority to review and approve new home construction. Any right, power or authority of the Declarant which may be relinquished to the Board of Directors of the Association prior to the termination of the rights of Declarant hereunder shall be by written instrument only and no such right, power or authority shall be relinquished by implication or otherwise. The establishment of an advisory Architectural Review Committee shall not be deemed to be a relinquishment by Declarant of any of its right, power and authority hereunder. After the termination of all rights of Declarant hereunder, the Board of Directors shall have all right, power and authority to review and approve building and construction activity within the Community hereunder and this Article shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were a reference to the authority of or action by the Board of Directors.

## Article 7

### Use Restrictions and Rules

7.1 Rules and Regulations. The Board of Directors may, from time to time, with the consent of Declarant and without a vote of the members, promulgate, modify or delete reasonable rules and regulations applicable to the Community. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the consent of Declarant.

7.2 Residential Use. Each Lot shall be used for residential purposes exclusively. Leasing of a Lot for residential occupancy shall not be considered a business or business activity. No trade or business of any kind may be conducted in or from a Lot, except that the Owner or Occupant residing at the Lot may conduct business activities within the house so long as the business activity: (a) does not otherwise violate the provisions of the Declaration, Bylaws or rules and regulations of the Association; (b) is not apparent or detectable by sight, sound or smell from the exterior of the Lot; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the Community; (e) does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the Community; (g) does not constitute a nuisance or a hazardous or offensive use; and (h) does not threaten the security or safety of other residents of the Community, all as may be determined in each case in the sole discretion of the Board of Directors. The Board may issue rules regarding permitted business activities. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) the activity is engaged in full or part-time; (y) the activity is intended to or does generate a profit; or (z) a license is required for the activity.

7.3 Signs. No sign of any kind shall be erected within the Community without the prior written consent of the Declarant or, after the termination of the rights of Declarant hereunder, the Board of Directors. Notwithstanding the foregoing, the Board and the Declarant shall have the right to erect reasonable and appropriate signs. For-sale signs, for-rent signs and security signs not larger than 18-inches by 18-inches and any signs required by legal proceedings may be erected upon any Lot. The provisions of this Section shall not apply to any Mortgagee in possession due to foreclosure of a first Mortgage or as grantee pursuant to any deed in lieu of such foreclosure. The Board may impose a fine of One-Hundred and Fifty and No/100 Dollars (\$150.00) per day for display of any sign in violation of this provision which is not removed within twenty-four (24) hours after written demand is delivered to the Owner of that Lot.

7.4 Vehicles; Parking. Vehicles shall be parked only in appropriate parking spaces serving the Lot or other designated parking areas established by the Board, if any. No on street parking shall be permitted. All parking shall be subject to such rules and regulations as the Board may adopt. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, golf carts, trucks, campers, buses, vans and automobiles. The term "commercial vehicles" as used herein, shall include,

without limitation, any vehicle which bears any indicia of commercial use, including, but not limited to, writing, logos, ladders, ladder racks or vehicles which are not primarily used for the transportation of passengers. The term "parking areas" shall refer to the number of garage parking spaces, and, if and only if, the Occupants of a Lot have more vehicles than the number of garage parking spaces, those excess vehicles which are an Occupant's primary means of transportation on a regular basis may be parked on the driveway on the Lot; provided, however, no vehicle parked in the driveway of a Lot shall encroach onto the sidewalks in the Community. All homes shall contain a garage; carports shall not be permitted. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. No vehicle may be left upon any portion of the Community, except in a garage or other area designated by the Board, if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. Such vehicle may be removed from the Community by the Board of Directors. Any towed vehicle, boat, personal water craft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go-cart, golf cart, commercial vehicle, camper, bus or mobile home regularly stored in the Community or temporarily kept in the Community, except if kept in a garage or other area designated by the Board, for periods longer than forty-eight (48) hours may be removed from the Community by the Board of Directors. Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal. Commercial vehicles shall not be permitted on any Common Property or any Lot, except if kept in an enclosed garage; provided construction, service, and delivery vehicles shall be exempt from this provision for such period of time as is reasonably necessary to provide service to or make a delivery to a Lot or the Common Property. No eighteen wheel trucks or the cabs of such trucks or trucks with a load capacity in excess of three-quarters of a ton shall be parked, kept or stored within the Community except during the time reasonably necessary to provide service or delivery within the Community.

7.5 Animals and Pets. No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Lot, with the exception of dogs, cats or other usual and common household pets in reasonable number as determined by the Board. No pets shall be kept, bred or maintained for any commercial purpose. No dog runs, runners or exterior pens for household pets shall be erected or maintained on any Lot unless approved in accordance with the provisions of Article 6 hereof. Dogs shall at all times when outside a Lot be kept on a leash or otherwise under control at all times. All pets shall be registered, licensed and inoculated if and as required by law. Dog waste deposited in the Community must be removed by the owner of the dog or the person responsible for the dog. The Association may adopt reasonable rules and regulations designed to minimize damage and disturbance to other Owners and Occupants. The Association may require the removal of any animal that presents an actual threat to the health or safety of residents and require abatement of any nuisance or unreasonable source of annoyance.

7.6 Nuisance. It shall be the responsibility of each Owner and Occupant in the Community to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on a Lot. No Lot shall be used for the storage of anything that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of

the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance or nuisance to any Person using any property within the Community. No plants, animals, device or thing of any sort shall be maintained in the Community whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of the Community by other Owners and Occupants. Without limiting the generality of the foregoing, no exterior speakers, horns, whistles, sirens, bells, amplifiers or other sound devices, except such devices as may be used exclusively for security purposes, screaming, shouting, excessively loud talking, fighting, raucous behavior, insobriety, playing loud music or television, use of any alarm, equipment or device, mechanical or otherwise which creates or produces excessively loud sounds, vibrations or any other conduct which creates any noxious or offensive odors outside a home shall be permitted, located, used, placed, installed or maintained on any Lot. The inconvenience complained of shall not be fanciful, or such as would affect only one of fastidious taste, but it shall be such as would affect an ordinary, reasonable person as determined in a particular instance by the Board.

7.7 Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

7.8 Antennae. No exterior antenna, receiving dish or similar apparatus of any kind for receiving or transmitting radio or video signals shall be placed, allowed or maintained upon any portion of the Community, including any Lot, unless approved in accordance with the provisions of Article 6 hereof; provided, however, no such approval shall be necessary to install (a) antennas designed to receive direct broadcast satellite services, including direct-to-home satellite services or to receive or transmit fixed wireless signals via satellite, that are one meter or less in diameter; (b) antennas designed to receive video programming services via multi-point distribution services or to receive or transmit fixed wireless signals other than via satellite that are one meter or less in diameter or diagonal measurement; or (c) antennas that are designed and intended to receive television broadcast signals. Owners shall install any permitted antennae on the rear of the dwelling unless such installation: (i) imposes unreasonable delay or prevents the use of the antennae; (ii) unreasonably increases the cost of installation; or (iii) an acceptable quality signal cannot otherwise be obtained.

7.9 Tree Removal. No trees that are more than four (4) inches in diameter at a point twelve (12) inches above the ground shall be removed from a Lot unless approved in accordance with the provisions of Article 6 hereof. However, no ornamental or flowering trees, including, but not limited to, dogwood trees, cottonwood trees, cherry trees or apple trees, regardless of diameter, shall be removed from a Lot unless approved in accordance with the provisions of Article 6 hereof. The Association and Owners shall also comply with all zoning conditions and local ordinances applicable to tree removal. In the event of a conflict between the provisions of this Section and any zoning condition or local ordinance, the more restrictive provision shall govern. This provision shall not apply to the removal of trees by the Declarant.

7.10 Drainage. Catch basins, retention ponds, detention ponds, drainage easement areas and related drainage facilities are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner may obstruct or alter the drainage flows after location and installation of catch basins, retention ponds, detention ponds, drainage swales, storm sewers or storm drains without approval in accordance with the provisions of Article 6 hereof.

7.11 Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, shrub or other planting or thing shall be placed or permitted to remain where, in the opinion of the Board of Directors, it would create an unsafe condition. Additionally, no fence, wall structure shrubbery or other obstruction to vision between the heights of three (3) feet and fifteen (15) feet shall be permitted within twenty-five (25) feet of the intersection of the right-of-way lines of all streets and roads in the Community.

Declarant, however, hereby expressly reserves the right to subdivide and/or revise and re-record the subdivision plat of any Lot(s) with the consent of the Owner of the effected Lot(s) and to approve the revision and re-recording of any plat of any Lot(s) owned by any builder or developer, including, but not limited to, changing any Lot to Common Property or creating a public or private street over any Lot or property that was formerly a Lot, without the consent of any Person, other than the Owner(s) of such Lot(s).

7.15 Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed or maintained upon any Lot without prior written approval in accordance with the provisions of Article 6 hereof. Guidelines detailing acceptable fence styles or specifications may be issued pursuant to Article 6, but in no event may a chain link or barbed wire fence be approved; provided, however, the Declarant and the Association may erect any type of fence on the Common Property or elsewhere within the Community as they may deem appropriate or as necessary to satisfy the requirements of any law, regulation or governmental entity or for the health and safety of Owners and Occupants

Any construction or land disturbing activities in the undisturbed construction buffer area shall be approved in accordance with the provisions of Article 6 hereof and shall comply with all Cherokee County rules, regulations and zoning conditions applicable to said buffer area.

7.26 Creek Buffer and State Water Buffer Area. Land-disturbing activities shall not be conducted within any creek buffer or undisturbed state water area as shown on the recorded subdivision plat(s) for the Community, except with prior written approval under Article 6 hereof and in compliance with Georgia law, including without limitation, the Control of Erosion and Sedimentation Act, O.C.G.A. Section 12-7-1, *et seq.*, as amended from time to time.

7.27 Ponds, Streams and Creeks. Except as herein provided, all storm water retention or detention ponds, streams and creeks within the Community shall be used for esthetic amenities and storm water drainage only, no other use thereof, including, without limitation, swimming, ice skating, playing, fishing or use of personal flotation devices, and other recreation, shall be permitted, without the written consent of the Board of Directors. The Association and/or the Declarant shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of the storm water detention/retention ponds, creeks or streams within the Community. No Owner shall have any right to place rocks, stones, trash, garbage, sewage, waste water, rubbish, debris, ashes or other refuse in any storm water retention/detention ponds, creeks or streams within the Community. Applicable governmental agencies, the Declarant and the Association, shall have the sole right to control the water level of all bodies of water located within the Community and to control the growth and eradication of plants, fowls, reptiles, animals, fish and fungi in and around any storm water retention/detention ponds, creeks and streams within the Community. Owners shall have no riparian or littoral rights with respect to the waters in any creek or stream within the Community and shall not be permitted to withdraw water from any creek or stream as may exist in the Community without the prior written consent of the Board of Directors.

7.28 Open Space Conservation Area. The Association and/or the Declarant shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of any Open Space Conservation Area within the Community. For this purpose, "Open Space Conservation Area" means the areas designated as such by the Declarant or the Board of Directors and which are conveyed to the Association by a deed containing restrictions which preserve the property so that it remains generally a natural, undisturbed area with limited recreational uses and easements which are consistent with the county standards as articulated in Section 23.6 of the Cherokee County Zoning Ordinance, as amended from time to time, ("Conservation Zoning Ordinance"). No Owner shall have any right to place rocks, stones, trash, garbage, sewage, waste water, rubbish, debris, ashes or other refuse in any Open Space Conservation Area. The Open Space Conservation Area shall remain primarily as undisturbed natural area and shall not be subdivided; provided however, the Open Space Conservation Area may be used for recreational and easement purposes consistent with the Conservation Zoning Ordinance and as permitted by the Association. Applicable governmental agencies, including, without limitation, Cherokee County, the Declarant and the Association, shall have the sole right to control the growth and eradication of plants, fowls, reptiles, animals, fish and fungi in and around the Open Space Conservation Area. The Board of Directors may issue rules and regulations on the permissible use of the Open Space Conservation Area by Owners, Occupants and guests which rules and regulations shall not be inconsistent with the purposes and intentions of the Conservation Zoning Ordinance. All Owners and Occupants in the Community shall comply with the use restrictions and rules and regulations contained in this Declaration and any

other instrument applicable to the Open Space Conservation Area recorded in the Cherokee county, Georgia land records.

7.29 Display of Flags. No flags may be displayed on any Lot without prior written approval in accordance with the provisions of Article 6 hereof; provided, however no such approval shall be required to display the flag of the United States of America and the current flag of the State of Georgia on a Lot in accordance with the provisions of the U.S. Flag Code (36 US Code 10) and usual and customary practice. The Board of Directors of the Association may promulgate reasonable rules and regulations with respect to the display of flags in the Community, including, without limitation, regulating the size of flags that may be displayed and reasonable time, place and manner restrictions pertaining to the display of the United States flag; provided, however, the Association shall not enact any rule or regulation which has the effect of prohibiting any Owner from displaying the flag of the United States of America on a Lot in the Community in contravention of the Freedom to Display the America Flag Act of 2005.

## Article 8 Insurance and Casualty Losses

8.1 Insurance on Common Property. The Association shall obtain the insurance coverage necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the U.S. Department of Veterans Affairs, and the U.S. Department of Housing and Urban Development, as applicable to the Community. Accordingly, the Board of Directors shall obtain casualty insurance for all insurable improvements, whether or not located on the Common Property, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board of Directors shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million (\$1,000,000.00) Dollars. Policies may contain a reasonable deductible as determined by the Board of Directors. In addition to the other insurance required by this Section, the Board of Directors shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the policy is in force or any lesser amount of fidelity coverage allowable under the applicable Fannie Mae guidelines. Fidelity coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation. All such insurance coverage shall be written in the name of the Association.

8.2 Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots, including a Lot Owner's personal property, and each

Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry all-risk casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The policies required hereunder shall be in effect at all times. Owners shall, if and when requested by the Board of Directors, provide evidence of such insurance coverage to the Board. In the event an Owner fails to obtain and maintain insurance as required herein, the Association may purchase such insurance on behalf of said Owner and specifically assess the costs thereof to said Owner as provided in Section 4.5 hereof.

8.3 Damage and Destruction -- Insured by Association. Immediately after damage or destruction by fire or other casualty to any portion of any improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five percent (75%) of the Total Association Vote and the Declarant. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the members of the Association, levy a special assessment against the Owner of each Lot. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. In the event that it should be determined by the Association, in the manner described above, that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition consistent with the Community-Wide Standard.

8.4 Damage and Destruction -- Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within seventy-five (75) days after such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner of a Lot may elect to demolish all improvements on the Lot and remove all debris and ruins therefrom within

seventy-five (75) days after such damage occurred and thereafter maintain the Lot in a neat and attractive, landscaped condition consistent with the Community-Wide Standard and this Declaration. The Owner shall pay all costs which are not covered by insurance proceeds.

## Article 9 Mortgagee Provisions

9.1 Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage, who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Lot number, therefore becoming an "eligible holder"), will be entitled to timely written notice of: (a) any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such eligible holder; (b) any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by the Owner of the encumbered Lot of any obligation under the Declaration or Bylaws of the Association which is not cured within sixty (60) days; and (c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

9.2 Audit. Upon written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of audited financial statements of the Association within ninety (90) days of the date of the request.

9.3 No Priority. No provision of this Declaration or the Bylaws gives any Owner or other party priority over any rights of a Mortgagee of any Lot in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

## Article 10 Easements

10.1 General. Each Lot shall be subject to those easements, if any, shown or set forth on the recorded subdivision plat(s) for the Community, as amended from time to time, as well as the easements now or hereafter established by the Declarant in this Declaration or by any other document recorded in the Office of Superior Court of Cherokee County, Georgia.

10.2 Easements for Use and Enjoyment. Every Owner shall have a right and easement of ingress and egress, use and enjoyment by the Owner and the Occupants of the Owner's Lot in and to the Common Property which shall be appurtenant to and shall pass with the title to each Lot, subject to the following:

(a) the right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing or improving any facilities located or to be located thereon and, upon the affirmative vote of the Owners of at least

two-thirds (2/3) of the Lots and the consent of Declarant, to give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided, however, the lien and encumbrance of any such Mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of Declarant or any Owner or the holder of any Mortgage encumbering any Lot or other property located within the Community (Regardless of any contrary provision in this Declaration or in any such Mortgage given by the Association, the exercise of any rights by the holder of such Mortgage in the event of a default thereunder shall not cancel or terminate any rights, easements or privileges herein reserved or established for the benefit of Declarant or any Owner or the holder of any Mortgage encumbering any Lot or other property located within the Community.);

(b) the right of the Association, acting through the Board of Directors and without a vote of the members, to dedicate or grant licenses, permits, easements and rights-of-way over, under and through the Common Property;

(c) the right of the Association to dedicate or transfer all or any portion of the Common Property upon the approval of the Owners of at least two-thirds (2/3) of the Lots and the Declarant;

(d) all other rights of the Association, the Declarant, Owners and Occupants set forth in this Declaration or in any deed conveying Common Property to the Association; and

(e) all encumbrances and other matters shown by the public records affecting title to the Common Property.

10.3 Easements for Utilities. There is hereby reserved to the Declarant and granted to the Association a blanket easement upon, across, above and under all property within the Community for access, ingress, egress, installation, alteration, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, as well as storm drainage and any other service such as, but not limited to, a master television antenna system, cable television system, or security system which the Declarant or the Association might decide to have installed to serve the Community. Declarant, the Association or the designee of either, as the case may be, may alter drainage and water flow, install, repair, replace and maintain or authorize the installation, repair, replacement and maintenance of such wires, conduits, cables and other equipment related to the providing of any utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, the Declarant or the Board shall have the right to grant such easement.

10.4 Easement for Emergency Entry. The Association shall have the right, but not the obligation, to enter upon any Lot for emergency, security and safety reasons and to inspect for the purpose of ensuring compliance with this Declaration, any Supplementary Declaration, Bylaws, and rules, which right may be exercised by any member of the Board, the officers, agents, employees, and managers of the Association and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties.

Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Lot to cure any condition which may increase the possibility of a fire, slope erosion or other hazard in an emergency situation and in the event an Owner fails or refuses to cure the condition within a reasonable time after requested by the Association, but shall not authorize entry into any single family dwelling without permission of the Owner.

10.5 Easement for Maintenance. Declarant hereby grants to the Association a perpetual easement across the exterior portions of all Lots as may be reasonably necessary for the maintenance required hereunder. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment of Lots, reasonable steps shall be taken to protect such property and damage shall be repaired by the Association or its contractors at their sole expense.

10.6 Easement for Entry Features. There is hereby reserved to the Declarant and granted to the Association an easement for ingress, egress, installation, construction landscaping and maintenance of entry features for the Community, over and upon any portion of a Lot containing such entry features as may be more fully described on the recorded subdivision plat(s) for the Community. The easement and right herein reserved shall include the right to cut, remove and plant trees, shrubbery, flowers and other vegetation around entry features and the right to grade the land under and around the same.

10.7 Easement for Drainage. There is hereby reserved by the Declarant and granted to the Association an easement upon, across, above and under all storm water drainage easement areas as shown on the recorded subdivision plat(s) for the Community for access, ingress, egress, installation, alteration, repairing, replacing, and maintaining the storm water drainage system and related facilities serving the Community or any portion thereof. This easement shall include the right to construct and maintain catch basins, retention ponds, detention ponds, drainage swales, storm sewers, storm drains, sloping banks, cut or fill. In addition, there is hereby reserved to the Declarant and granted to the Association a blanket easement across all Lots for creating and maintaining satisfactory drainage in the Community; provided, however, such easement area shall not include any portion of a Lot within the outer perimeter of the dwelling structure. It is anticipated that increased storm water run-off across downstream Lots will result from the construction of impervious surface within the Community. Neither the Declarant, the Association nor any builder or Owner constructing according to plans and specifications approved under Article 6 hereof shall have any liability to any Owner due to the increased flow or increased velocity of surface water resulting from approved construction within the Community.

10.8 Easement During Construction and Sale Period. Notwithstanding any provisions now or hereafter contained in this Declaration, the Bylaws, Articles of Incorporation, use restrictions, rules and regulations, architectural guidelines, and amendments thereto, Declarant reserves an easement across the Community for Declarant, Developer and any builder approved by Declarant to maintain and carry on, upon such portion of the Community as Declarant or Developer may reasonably deem necessary, such facilities and activities as in the sole opinion of Declarant or Developer may be required or convenient for Declarant's, Developer's and such builder's development, construction and sales activities related to property hereby and hereafter

subjected to this Declaration or nearby property being developed by Declarant, Developer or such builders, including, but not limited to: the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on or in the Community, including, without limitation, any Lot; the right to tie into any portion of the Community with streets, driveways, paths, parking areas and walkways; the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain and repair any device which provides utility or similar services including, without limitation, electrical, telephone, cable television, natural gas, water, sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; the right to grant easements over, under, in or on the Community, including without limitation the Lots, for the benefit of neighboring properties for the purpose of tying into and/or otherwise connecting and using sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; the right to convert Lots (with the consent of the Owner thereof) to Common Property and/or streets; the right to construct recreational facilities, utilities and other improvements on Common Property; the right to carry on sales and promotional activities in the Community; and the right to construct and operate business offices, signs, construction trailers, model residences and sales offices. Declarant, Developer and any such builder may use residences, offices or other buildings owned or leased by Declarant or such builder as model residences and sales offices. This Section shall not be amended without the Declarant's and Developer's written consent until the Declarant's and Developer's rights hereunder have terminated as herein provided.

## Article 11

### General Provisions

11.1 Enforcement. Each Owner and Occupant shall comply strictly with the Bylaws, rules and regulations and use restrictions, as amended or modified from time to time, and with the covenants, conditions, easements and restrictions set forth in this Declaration, the recorded subdivision plats for the Community and in the deed to such Owner's Lot, if any. The Board of Directors may impose fines or other sanctions for violations of the foregoing, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the Bylaws or the rules and regulations of the Association shall be grounds for an action to recover sums due for damages or injunctive relief or both, including, without limitation, reasonable attorney's fees actually incurred, maintainable by the Association, the Declarant or an aggrieved Owner. Failure by the Declarant, the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Association shall have the right to record in the appropriate land records a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions or architectural guidelines and to assess the cost of recording and removing such notice against the Lot of the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

11.2 Occupants Bound. All provisions of the Declaration, Bylaws, rules and regulations, use restrictions and architectural guidelines which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants and the guests and invitees of Owners and Occupants. The Owner shall be responsible for ensuring that the Occupants, the guests, invitees and licensees of the Owner and Occupant strictly comply with all provisions of the Declaration, Bylaws, rules and regulations, use restrictions and architectural

guidelines, if any. If a fine is first levied against an Occupant and is not timely paid, the fine may then be levied against the Owner.

11.3 Self-Help. In addition to any other remedies provided for herein, the Association, the Declarant, the Board of Directors or their respective duly authorized agents shall have the power to enter upon any Lot or any other portion of the Community to abate or remove any structure, thing or condition which violates this Declaration, the Bylaws, the rules and regulations or the use restrictions. Unless an emergency situation exists, the violating Owner shall be given ten days' written notice of the intent to exercise self-help. All costs of self-help, including, without limitation, reasonable attorney's fees actually incurred, shall be assessed against the violating Owner as a specific assessment.

11.4 Duration. The covenants, conditions, restrictions and easements contained in this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by the Association, the Declarant and any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law; provided, however, if and to the extent that Georgia law limits the period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time, any such provision(s) shall be (a) automatically extended for successive periods of twenty (20) years (or the maximum period allowed by applicable law, if less), unless a written instrument signed by the then Owners of at least two-thirds (2/3) of the Lots has been recorded within the year immediately preceding the beginning of a twenty (20) year renewal period agreeing to change such provisions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated to the extent specified therein; or (b) extended, renewed, modified or terminated as otherwise provided herein or by applicable law.

11.5 Termination of Rights of Declarant and Developer. The rights of Declarant and/or Developer to take, approve or consent to actions under this Declaration, the Articles of Incorporation and the Bylaws shall cease and be of no further force and effect upon the earlier of: (a) the date that the Declarant no longer owns any property in the Community and no longer has the right to unilaterally annex additional property to the Community as provided herein and a certificate of occupancy has been issued for a dwelling on each Lot in the Community; or (b) the date of recording by Declarant or Developer, as the case may be, in the real estate records of Cherokee County, Georgia of a written instrument terminating all of Declarant's or Developer's rights hereunder.

11.6 Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such

amendment is necessary to enable any governmental agency or private insurance company, including, without limitation, the U.S. Department of Housing and Urban Development and the U.S. Department of Veterans Affairs, to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Lot unless the Owner of such Lot consents thereto in writing. Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect the substantive rights of any Owners hereunder nor shall it adversely affect title to any Lot without the consent of the affected Owner. The Board of Directors, with the written consent of the Declarant, and without a vote of the members may amend this Declaration for the sole purpose of electing to be governed by and thereafter complying with the provisions of the Georgia Property Owners' Association Act, O.C.G.A. § 44-3-220, *et seq.* In addition to the above, this Declaration may be amended upon the affirmative vote, written consent or any combination thereof of Owners holding at least two-thirds (2/3) of the Total Association Vote and the consent of Declarant. Amendments to this Declaration shall become effective upon recordation unless a later effective date is specified therein. The consent of the Declarant to any amendment shall be evidenced by the execution of said amendment by Declarant. The consent of the requisite number of Owners to any amendment shall be evidenced by the execution of the amendment by said Owners, or, in the alternative, the sworn statement of the President or any Vice President or the Secretary of the Association attached to or incorporated in the amendment, which sworn statement states unequivocally that the consent of the required number of Owners was obtained and that any notices required by this Declaration, the Bylaws, the Articles of Incorporation and Georgia law were given. The amendments authorized by this Section may be of uniform or non-uniform application and Owners shall be deemed to have agreed that the Declaration may be amended as provided herein and that any rule of law requiring unanimous approval of amendments having a non-uniform application shall not apply.

11.7 Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine or feminine pronoun shall include the neuter, masculine and feminine.

11.8 Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any Person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application and, to this end, the provisions of this Declaration are declared to be severable.

11.9 Captions. The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular Article or Section to which they refer.

11.10 No Merger. There shall be no merger of any of the covenants, conditions, restrictions or easements created or reserved hereby with the fee estate of Declarant or Developer, by reason of the fact that Declarant or Developer may own or hold the estate or

interest both encumbered and benefited by such covenants, conditions, restrictions or easements and no such merger shall occur unless and until Declarant or Developer, while owning all of the estate or interests shall execute a written statement or instrument affecting such merger and shall duly record the same.

11.11 Preparer. This Declaration was prepared by David N. Dorough, Jr. and Rachel E. Conrad, Dorough & Dorough, LLC, Two Decatur TownCenter, 125 Clairemont Avenue, Suite 520, Decatur, Georgia 30030.

11.12 Notices. Notices provided for in this Declaration or the Articles or Bylaws shall be in writing, and shall be addressed to an Owner at the address of the Lot and to the Declarant or the Association at the address of their respective registered agent in the State of Georgia. Any Owner may designate a different address for notices to such Owner by giving written notice to the Association. Notices addressed as above shall be mailed by United States Registered or Certified Mail, return receipt requested, postage paid, or delivered in person, including delivery by commercial courier service. The time period in which a response to any such Notice must be given or any action taken with respect thereto, shall commence to run from the date of personal delivery or receipt on the return receipt of the Notice by the addressee thereof. Rejection or other refusal to accept or the inability to deliver because of changed address of which no Notice was given shall be deemed to be receipt of the Notice sent.

11.13 Perpetuities. Should any of the provisions of this Declaration be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the date that is ninety (90) years from and after the date of recording of this Declaration.

11.14 Indemnification. To the fullest extent allowed by the Georgia Nonprofit Corporation Code, and in accordance therewith, the Association shall indemnify every current and former officer, director and committee member against any and all expenses, including, but not limited to, attorney's fees, imposed upon or reasonably incurred by any officer, director or committee member in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer, director or committee member may be a party by reason of being or having been an officer, director or committee member. The officers, directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers, directors and committee members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall indemnify and forever hold each such officer, director and committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director or committee member, or former officer, director or committee member, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

11.15 Agreements. Subject to the prior approval of Declarant, all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board of Directors, shall be binding upon all Owners, their heirs, legal representatives, successors, assigns and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

11.16 Variances. Notwithstanding anything to the contrary contained herein, the Board of Directors shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws and any rule, regulation or use restriction promulgated pursuant thereto, if it determines that waiver of application or enforcement of the provision in a particular case is warranted and would not be inconsistent with the overall scheme of development for the Community.

11.17 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five percent (75%) of the Total Association Vote and the consent Declarant. This Section shall not apply to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens) (b) the imposition and collection of assessments as provided herein, (c) proceedings involving challenges to *ad valorem* taxation, (d) counterclaims brought by the Association in proceedings instituted against it, or (e) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of a contract for goods or services to which the Association is a party. This Section shall not be amended unless such amendment is made unilaterally by the Declarant as provided herein or is approved by the percentage votes necessary to institute proceedings as provided above.

11.18 No Discrimination. No action shall be taken by the Declarant, the Association or the Board of Directors which would discriminate against any person on the basis of race, creed, color, national origin, religion, sex, familial status or disability.

11.19 Security. ALL OWNERS, OCCUPANTS, GUESTS, LICENSEES, AND INVITEES, AS APPLICABLE, ACKNOWLEDGE THAT THE DECLARANT, THE DEVELOPER, THE ASSOCIATION AND ITS BOARD OF DIRECTORS, AND THE ARCHITECTURAL REVIEW COMMITTEE, IF ANY, DO NOT REPRESENT OR WARRANT THAT ANY SAFETY OR SECURITY MEASURES WILL BE IMPLEMENTED IN THE COMMUNITY OR, IF IMPLEMENTED, THAT SUCH SAFETY OR SECURITY MEASURES MAY NOT BE COMPROMISED OR CIRCUMVENTED, OR THAT ANY SUCH SAFETY OR SECURITY MEASURES WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THEY ARE DESIGNED. EACH OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE DECLARANT, THE DEVELOPER, THE ASSOCIATION, THE BOARD OF DIRECTORS AND THE ARCHITECTURAL REVIEW COMMITTEE, IF ANY, ARE NOT INSURERS AND THAT EACH OWNER, OCCUPANT, GUEST, LICENSEE, AND INVITEE ASSUMES ALL RISKS OF PERSONAL INJURY AND PROPERTY DAMAGE AND FURTHER ACKNOWLEDGES THAT THE DECLARANT, THE DEVELOPER, THE ASSOCIATION, THE BOARD OF DIRECTORS, AND THE ARCHITECTURAL REVIEW COMMITTEE, IF ANY, HAVE MADE NO

REPRESENTATIONS OR WARRANTIES, NOR HAS ANY OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OR MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE RELATIVE TO ANY SAFETY OR SECURITY MEASURES IMPLEMENTED OR APPROVED.
