OPEN AND BRIGHT

An open main level brings the kitchen and living spaces together, complemented by hardwood floors, dramatic ceiling lines and abundant natural light.

A PRIVATE RETREAT

The spacious primary suite features a striking tray ceiling, walk-in closet, and spa-inspired bath with dual vanities and a frameless glass shower.

DESIGNED FOR EVERYONE

The finished lower level adds flexible living space, an additional bedroom and full bath—ideal for guests and extended family.

THE HEART OF THE HOME

Sleek cabinetry, quartz countertops and stainless steel appliances create a clean, modern kitchen. The oversized island offers generous workspace and seating, all open to the main living area.
