FEEDING MANKIND IN NEED!

Fight Hunger and Malnutrition in Ukraine

THE CHALLENGE

FIRST HARVEST MINISTRIES, INC. (“FHM”) is a non-profit 501(c)(3) tax-exempt health and wellness ministry currently working with a local community of senior citizens in the town of Izmail, Ukraine. Izmail is a historic town and shipping port with a population of 70,000+ people located near the Danube River in the southwestern region of Odesa Oblast (Province) of southern Ukraine. In cooperation with the local community of senior citizens, **FHM** has registered as a foreign non-profit charity to expand its ministry reach to pension seniors living below the poverty line in the city of Izmail, Ukraine.

The population of pension seniors living below the poverty line continues to grow and outpace the social service benefit and pension programs sponsored and funded by the national government’s Ministry of Social Policy. As of today, we estimate there are over **400+** pension seniors in Izmail, living alone and in isolation, and receiving only their national government’s social service benefits and collecting the minimum level retirement payout of 1200 hryvnia (USD \$42) per month. After housing, utility, medical and drug expenses, this leaves little to no monies for food. Furthermore, hunger and isolation with limited mobility, declining health, and strained financials can affect pension seniors much worse in their ability to live independently.

THE OPPORTUNITY

FHM advocates and promotes a charity program “**Feeding Pension Seniors in Ukraine**” dedicated to addressing this challenge. The food delivery program is a service made available for frail, needy and homebound seniors who require assistance in their daily living activities and are without a caregiver during the day. For just **\$3 USD** per day, this pays for the purchase, preparation, cooking, and delivery to the doorsteps of a pension senior with a fully cooked and nutritious hot meal Monday-Sunday. During meal deliveries, our **FHM** team of volunteers takes the opportunity to check on the seniors whenever possible. More than a delivery service, we do our best to keep an eye out for these seniors who live alone. Our charity empowers donors and local volunteers to strengthen their local community one senior at a time to live nourished lives with independence and dignity.

DONATIONS WELCOME!

Donation support for our cause is crucial. Make a difference today! Not only do we accept donations via PayPal, credit or debit cards, but also accept cryptocurrency donations as well. No matter how large or small your donation to the **FHM** charity program "**Feeding Pension Seniors in Ukraine**" – this ensures our pension seniors living alone and in isolation will spend their golden years well-nourished, independent, and dignified. Your monthly gift creates a reliable source of funding year-round to help provide meals to senior citizens facing hunger. Any donation amounts are tax-exempt and will be greatly appreciated!
