

## A Word a Day Through Lent

Following what we have done in recent years we will offer one word per day that goes with the theme and texts of the week, and you're encouraged to post photo for each day to the church's social media accounts. Look for links on the church's website ([www.gracestatesville.org](http://www.gracestatesville.org)). In the booklet, there is space for your own reflections, words and other Theological doodles.

### A Word a Day
