

Forgiveness prayer

Forgiveness prayer helps you to seek forgiveness from the universe and all the souls who have anger or resentment towards you from any lifetime, once you are released you start feeling relaxed and happy, it is very powerful to bring peace and contentment in your life. Most importantly karmics are released. If you have karmic people in your life, they slowly go away from you, and, if you have relationships issue, it will also get healed and the other person will start loving you. Also helps you to forget your ex and move on. Do it daily before sleeping. It will really be very effective.
